CHAPTER.....

AN ACT relating to financial transactions; requiring the Commissioner of Financial Institutions, with the cooperation of the Commissioner of Mortgage Lending, to adopt regulations concerning nontraditional mortgage loans and lending practices of certain persons and financial institutions; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

State regulation of the residential mortgage industry is divided between the Commissioner of Financial Institutions, who regulates banks, credit unions, thrift companies, savings and loan associations, and other financial institutions, and the Commissioner of Mortgage Lending, who licenses and regulates mortgage bankers and mortgage brokers. (Titles 55 and 56 and chapters 645B and 645E of NRS)

This bill requires the Commissioner of Financial Institutions, with the cooperation of the Commissioner of Mortgage Lending, to adopt regulations concerning nontraditional mortgage loan products and lending practices. This bill requires the Commissioner of Financial Institutions to adopt regulations that are substantially similar to the provisions set forth in the "Guidance on Nontraditional Mortgage Product Risks" published by the Conference of State Bank Supervisors and the American Association of Residential Mortgage Regulators on November 14, 2006. The publication makes recommendations concerning nontraditional mortgage loan products and lending practices for state-regulated financial institutions.

SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 658 of NRS is hereby amended by adding thereto a new section to read as follows:

1. The Commissioner of Financial Institutions shall, with the cooperation of the Commissioner of Mortgage Lending, adopt regulations concerning nontraditional mortgage loan products and lending practices of persons and financial institutions that are required to be licensed or registered pursuant to the provisions of titles 55 and 56 and chapters 645B and 645E of NRS and which

make or offer to make loans that are secured by liens on real property.

2. The regulations required to be adopted by subsection 1 must be substantially similar to the provisions set forth in the "Guidance on Nontraditional Mortgage Product Risks" published by the Conference of State Bank Supervisors and the American Association of Residential Mortgage Regulators on November 14, 2006.

3. If the publication is revised, the Commissioner shall review the revision to determine whether the revision is suitable for this State. If the Commissioner determines that the revision is suitable for this State, he shall adopt a regulation that includes the revision.

4. If the Commissioner determines that the revision is not suitable for this State, he shall hold a hearing within 60 days after his determination and give notice of the hearing. If, after the hearing, the Commissioner does not revise his determination, the Commissioner shall give written notice within 30 days after the hearing that the revision is not suitable for this State.

(1) An interest-only loan; and

(2) A payment option adjustable-rate mortgage.

(c) Does not include:

(1) A home equity line of credit other than a simultaneous second-lien home equity line of credit; or

Sec. 2. This act becomes effective:

1. Upon passage and approval for the purpose of adopting regulations and performing any other preparatory administrative tasks that are necessary to carry out the provisions of this act; and

2. On January 1, 2008, for all other purposes.
