Section 4 of this bill requires county clerks in counties with a population of 100,000 or more to designate at least one polling place in the county as the polling place where a person who lives in a mailing precinct or an absent ballot mailing precinct may vote in person on election day. In counties with a population of less than 100,000, **section 4** provides that a county clerk may, but is not required to, designate such a polling place. **Section 6** of this bill prohibits the return of a mailing ballot by any person other than the registered voter to whom the ballot was sent unless a family member returns the ballot at the request of the voter. A person who violates this provision is guilty of a category E felony.
