EXPLANATION – Matter in ***bolded italics*** is new; matter between brackets [omitted material] is material to be omitted.

AN ACT relating to the health of pupils; requiring that certain physical examinations of children required in schools include an examination of height and weight; requiring school nurses to report the aggregate results of such physical examinations to the State Health Officer for statistical purposes and to exclude from the reports any identifying information relating to a particular child; making an appropriation; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, physical examinations of children are required in certain grades in school to determine if a child has scoliosis, any visual or auditory problem or any gross physical defect. (NRS 392.420) This bill adds an additional physical examination before the completion of the first year of enrollment in elementary school. This bill also requires the examinations to include an examination of height and weight. This bill authorizes school districts to collaborate with qualified health care providers and students enrolled in health care programs in postsecondary educational institutions to assist in the physical examinations. This bill requires school nurses to report the aggregate results of such physical examinations to the State Health Officer for statistical purposes and to exclude from the reports any identifying information relating to a particular child.

Section 2 of this bill makes an appropriation of \$75,000 to the Health Division of the Department of Health and Human Services for contracting with the Nevada

14 Public Health Foundation to convene at least two statewide meetings with
15 representatives of all health authorities and local health officers in this State to
16 identify the health-related issues, needs and priorities of children in this State, and
17 to provide a written report to the Legislative Committee on Health Care concerning
18 the findings and recommendations resulting from those meetings.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 **Section 1.** NRS 392.420 is hereby amended to read as follows:
2 392.420 1. In each school at which he is responsible for
3 providing nursing services, a school nurse shall plan for and carry
4 out, or supervise qualified health personnel in carrying out, a
5 separate and careful observation and examination of every child
6 who is regularly enrolled in a grade specified by the board of
7 trustees or superintendent of schools of the school district to
8 ***conduct examinations of height and weight and to*** determine
9 whether the child has scoliosis, any visual or auditory problem, or
10 any gross physical defect. The grades in which the observations and
11 examinations must be carried out are as follows:

12 (a) For visual and auditory problems ~~H~~ ***and to conduct***
13 ***examinations of height and weight [in]***:

14 (1) ***Before the completion of the first year of initial***
15 ***enrollment in elementary school;***

16 (2) ***In addition to subparagraph (1), in*** at least two grades of
17 the elementary schools ~~H~~; and

18 (3) ***In at least*** one grade of the middle or junior high schools
19 ~~H~~ and ***in at least*** one grade of the high schools; and

20 (b) For scoliosis, in at least one grade of schools below the high
21 schools.

22 → Any person other than a school nurse who performs an
23 observation or examination pursuant to this subsection must be
24 trained by a school nurse to conduct the observation or examination.

25 2. If any child is attending school in a grade above one of the
26 specified grades and has not previously received such an
27 observation and examination, he must be included in the current
28 schedule for observation and examination. Any child who is newly
29 enrolled in the district must be examined for any medical condition
30 for which children in a lower grade are examined.

31 3. A special examination for a possible visual or auditory
32 problem must be provided for any child who:

33 (a) Is enrolled in a special program;

34 (b) Is repeating a grade;

35 (c) Has failed an examination for a visual or auditory problem
36 during the previous school year; or

1 (d) Shows in any other way that he may have such a problem.

2 4. The school authorities shall notify the parents or guardian of
3 any child who is found or believed to have ~~[a]~~ **scoliosis, any** visual
4 or auditory problem, ~~[scoliosis]~~ or any gross physical defect, and
5 shall recommend that appropriate medical attention be secured to
6 correct it.

7 5. In any school district in which state, county or district public
8 health services are available or conveniently obtainable, those
9 services may be used to meet the responsibilities assigned under the
10 provisions of this section. The board of trustees of the school district
11 may employ qualified personnel to perform them. Any nursing
12 services provided by such qualified personnel must be performed in
13 compliance with chapter 632 of NRS.

14 6. ***The board of trustees of a school district may collaborate
with:***

16 (a) ***Qualified health care providers within the community to
perform, or assist in the performance of, the services required by
this section; and***

19 (b) ***Postsecondary educational institutions for qualified
students enrolled in such an institution in a health-related
program to perform, or assist in the performance of, the services
required by this section.***

23 7. Any child must be exempted from the examination if his
24 parents or guardian filed with the teacher a written statement
25 objecting to the examination.

26 8. ***Each school nurse shall report the results of the
examinations conducted pursuant to this section in each school at
which he is responsible for providing nursing services to the State
Health Officer in the format prescribed by the State Health
Officer. Each such report must include only aggregate
information for statistical purposes and exclude any identifying
information relating to a particular child. The State Health
Officer shall compile all such aggregate information he receives to
monitor the health status of children and shall retain the
aggregate information.***

36 Sec. 2. 1. There is hereby appropriated from the State
37 General Fund to the Health Division of the Department of Health
38 and Human Services the sum of \$75,000 for contracting with the
39 Nevada Public Health Foundation to convene at least two statewide
40 meetings with representatives of all health authorities and local
41 health officers in this State to identify the health-related issues,
42 needs and priorities of children in this State, and to provide a written
43 report to the Legislative Committee on Health Care concerning the
44 findings and recommendations resulting from those meetings.

1 2. Any remaining balance of the appropriation made by
2 subsection 1 must not be committed for expenditure after June 30,
3 2009, by the entity to which the appropriation is made or any entity
4 to which money from the appropriation is granted or otherwise
5 transferred in any manner, and any portion of the appropriated
6 money remaining must not be spent for any purpose after
7 September 18, 2009, by either the entity to which the money was
8 appropriated or the entity to which the money was subsequently
9 granted or transferred, and must be reverted to the State General
10 Fund on or before September 18, 2009.

11 **Sec. 3.** This act becomes effective on July 1, 2007.
