EXPLANATION – Matter in ***bolded italics*** is new; matter between brackets **[omitted material]** is material to be omitted.

AN ACT relating to liens; revising the definition of “lien claimant” to include certain express trust funds; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

1 Existing law provides for mechanics’ and materialmen’s liens. (NRS 108.221-
2 108.246) A mechanic’s or materialman’s lien arises if a “lien claimant” is not fully
3 paid for furnishing work, materials or equipment for the improvement of property.
4 If a mechanic’s or materialman’s lien arises, the “lien claimant” has a lien on the
5 property for which the improvements were made. (NRS 108.222) This bill includes
6 in the definition of “lien claimant” an express trust fund to whom any portion of a
7 laborer’s compensation, including, without limitation, fringe benefits, must be paid
8 and thus allows such an express trust fund to have a mechanic’s and materialman’s
9 lien. (NRS 108.2214, 108.222)
