

Assembly Bill No. 406—Assemblymen Koivisto, Parks, Conklin, Gerhardt, Kihuen, Kirkpatrick, Manendo, McClain, Ohrenschall, Pierce, Segerblom, Smith, Stewart and Womack

## CHAPTER.....

AN ACT relating to marriage; revising the authority of the board of county commissioners of certain counties to designate a branch office of the county clerk at which marriage licenses may be issued; revising the requirements to obtain a marriage license; revising provisions governing the content of marriage licenses and certificates; and providing other matters properly relating thereto.

### **Legislative Counsel's Digest:**

Existing law requires persons who wish to marry to obtain a license from the county clerk of any county in the State. This license must be issued at the seat of the county, unless the board of county commissioners, at the request of the county clerk, has designated a branch office of the county clerk at which marriage licenses may be issued. (NRS 122.040) **Section 2** of this bill requires the board of county commissioners of a county whose population is 400,000 or more (currently Clark County) to designate one branch office of the county clerk at which marriage licenses may be issued, which must be established and maintained in an incorporated city whose population is 150,000 or more but less than 300,000 (currently Henderson). In addition, **section 2** increases from two to not more than four the number of such branch offices that the board of county commissioners in a county whose population is 400,000 or more is authorized to designate.

Existing law provides that, before issuing a marriage license, the county clerk may require the applicant to produce evidence that the applicant is of age. (NRS 122.040) **Section 2** of this bill requires each applicant for a marriage license to provide proof of the applicant's name and age by presenting certain documents to the county clerk.

Existing law requires an applicant for a marriage license to answer under oath each question contained in the form of license and to include his social security number on the affidavit of application for a marriage license. (NRS 122.040) **Section 2** of this bill requires both applicants for a marriage license to satisfy these requirements, unless the county clerk or a district court finds that extraordinary circumstances prevent one applicant from appearing before the county clerk, and authorizes the county clerk to issue the license if one applicant satisfies these requirements.

Existing law prescribes the content of marriage licenses and marriage certificates. (NRS 122.050, 122.120) **Section 3.5** of this bill requires a marriage license to include the name of each applicant as shown on the documents presented to provide proof of the applicant's name and age. **Section 4** of this bill requires a marriage certificate to include the date of birth of each applicant.
