AN ACT relating to communicable diseases; making various changes to provisions concerning the human immunodeficiency virus; and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

1      **Section 3** of this bill expresses the intent of the Legislature regarding the  
2 manner in which governmental entities and persons and entities providing services  
3 of health care should collaborate to ensure that testing for the human  
4 immunodeficiency virus and related counseling is carried out in a culturally and  
5 linguistically appropriate manner, and with due regard for the sensitivity and  
6 private nature of such information.

7      **Section 4** of this bill requires certain providers of testing for the human  
8 immunodeficiency virus to ensure that each person who tests positive for the human  
9 immunodeficiency virus receives a counseling session. The counseling  
10 session must include information on: (1) the test result; (2) follow-up testing; (3)  
11 medical treatment; (4) methods for preventing transmission of the human  
12 immunodeficiency virus; (5) the confidentiality of the test result; and (6)  
13 appropriate testing for sexual partners of those who test positive for the human  
14 immunodeficiency virus. **Section 4** also requires certain providers of testing to

15 offer referrals for certain health care services to those who test positive for the  
16 human immunodeficiency virus.

17 Existing law makes discrimination against persons with certain disabilities an  
18 unlawful employment practice. (NRS 613.310-613.435) **Section 6** of this bill  
19 amends the definition of "disability" to specifically include the human  
20 immunodeficiency virus.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN  
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1       **Section 1.** Chapter 441A of NRS is hereby amended by  
2 adding thereto the provisions set forth as sections 2, 3 and 4 of this  
3 act.

4       **Sec. 2.** *As used in sections 2, 3 and 4 of this act, "provider of  
5 health care" means a physician, nurse or physician assistant  
6 licensed in accordance with state law.*

7       **Sec. 3.** *It is the intent of the Legislature that:*

8           **1. The State Board of Health, the Department of Health and  
9 Human Services, and all district, county and city health  
10 departments, boards of health and health officers, medical  
11 facilities and providers of health care work together in a  
12 collaborative manner to ensure that testing for the human  
13 immunodeficiency virus and related counseling services are  
14 offered in a culturally and linguistically appropriate manner.**

15           **2. Information pertaining to testing for the human  
16 immunodeficiency virus be reported and maintained in  
17 accordance with existing state and federal privacy laws.**

18           **3. Information pertaining to cases of the human  
19 immunodeficiency virus not be used for any purpose other than  
20 public health practices, including, without limitation, surveillance  
21 and epidemiology.**

22       **Sec. 4. 1. Counties, providers of health care and medical  
23 facilities that provide testing for the human immunodeficiency  
24 virus shall provide, or ensure the provision of, to each person who  
25 tests positive for the human immunodeficiency virus, a counseling  
26 session that is appropriate and acceptable under current medical  
27 and public health practices, as recommended by the Board.**

28       **2. Counseling required pursuant to this section must address,  
29 without limitation:**

- 30           **(a) The meaning of the positive result of the test;**
- 31           **(b) Any follow-up testing for the person;**
- 32           **(c) Methods for preventing the transmission of the human  
33 immunodeficiency virus;**
- 34           **(d) Medical treatment available for the person;**
- 35           **(e) The confidentiality of the result of the test; and**

1       (f) Recommended testing for the human immunodeficiency  
2 virus for sexual partners of the person.

3       3. Counties, providers of health care and medical facilities  
4 that provide testing for the human immunodeficiency virus shall  
5 offer to each person who tests positive for the human  
6 immunodeficiency virus:

7           (a) Appropriate referrals for future services, including,  
8 without limitation, medical care, mental health care and addiction  
9 services; or

10           (b) If unable to provide referrals pursuant to paragraph (a),  
11 referral to the local health authority for a subsequent referral to  
12 providers within the community for future services, including,  
13 without limitation, medical care, mental health care and addiction  
14 services.

15       4. The Director of the Department of Health and Human  
16 Services may adopt regulations to carry out the provisions of this  
17 section.
