

CHAPTER.....

AN ACT relating to motor vehicles; allowing a civil action to be filed against the owner or person in lawful possession of real property on which public parking is restricted in a certain manner for the improper towing of a vehicle; increasing the time within which a court must hold a hearing relating to an improper towing; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law allows an owner of an off-street parking facility to authorize the towing or removing of a vehicle from the facility in certain circumstances. (NRS 487.037) Existing law also allows the owner or person in lawful possession of any real property to have a vehicle that is parked in an unauthorized manner on the property towed if certain signs are posted and certain notices are given. (NRS 487.038) Finally, existing law allows a person whose car has been towed from private property, but not property where public parking is allowed, to bring a civil action against the person who authorized the towing to determine if the towing was lawful. (NRS 487.039)

This bill allows a person who believes his vehicle has been unlawfully towed from real property where public parking is allowed to file a civil action and for process to be served on the owner or person in lawful possession of the real property. This bill also decreases the time within which the court must hold a hearing on the matter of the propriety of the towing from 7 calendar days to 4 working days after the action is filed.
