Legislative Counsel's Digest:

Existing law provides that the Nevada Highway Patrol may enter into a contract with any person to provide services for the control of vehicular traffic related to a special event. (NRS 480.340) **Section 1** of this bill provides that any qualified personnel of the Department of Public Safety, as well as the Nevada Highway Patrol, may provide services for the control of vehicular traffic pursuant to the contract.

Section 1.3 of this bill requires an application for the registration of a motor vehicle to contain proof satisfactory to the Department of Motor Vehicles that the applicant carries insurance on the vehicle, in lieu of signing a declaration indicating that he has provided the insurance. (NRS 482.215, 485.185)

Section 1.7 of this bill transfers the duty of training peace officers in identifying and handling drivers who suffer from a diabetic condition or epileptic seizures from the Department of Motor Vehicles to the Department of Public Safety. (NRS 483.348)

Existing law requires the Department of Motor Vehicles to revoke the driver's license of a person who is convicted of certain felonies involving the use of a vehicle. Existing law further requires the Department to set aside the revocation during any period of imprisonment until the period of imprisonment is completed or until the person has been placed on residential confinement. (NRS 483.460) **Sections 2, 11 and 12** of this bill provide instead that the revocation will resume when the Department is notified by the Department of Corrections or the Department of Public Safety that the person has completed his period of imprisonment or has been placed on residential confinement or parole.

Existing law requires a law enforcement officer to revoke the driver's license, permit or privilege to drive of a person who has a concentration of alcohol of 0.08 or more in his blood or breath or who is found to have a detectable amount of a prohibited substance in his blood or urine. The officer is required to advise the person of his right to administrative and judicial review of the revocation and to have a temporary license, valid for 7 days, which the officer must issue upon request. (NRS 484.385) In addition, if the person requests administrative review of the revocation, the Department of Motor Vehicles is required to issue an additional temporary license which is valid for a period sufficient to complete the administrative review. (NRS 484.387) **Sections 3-6** of this bill provide that a person driving with a temporary permit is not entitled to receive an additional temporary permit if he is found again to have driven with a prohibited amount of alcohol in his blood or breath or a prohibited substance in his blood or urine.

Existing law requires each owner of a motor vehicle to maintain a certain amount of insurance against bodily injury or death. (NRS 485.185) **Section 7** of this bill requires that such insurance must be obtained from a company that is licensed and has been approved to do business in this State.

Existing law requires the Department of Motor Vehicles to suspend the driver's license or privilege to drive and the motor vehicle registrations of each owner of a motor vehicle involved in a motor vehicle accident involving injury or death when it is determined that the required security has not been deposited and the person has not been released from liability and has not executed an agreement to pay in installments. Existing law requires notice of the suspension to be sent to the person at least 10 days before the effective date of the suspension. (NRS 485.190) **Section 8** of this bill requires the suspension to be effective immediately after the determination is made unless the person immediately deposits the security at the hearing.

Under existing law, the Transportation Services Authority regulates fully regulated carriers, operators of tow cars and brokers of regulated services as provided for in chapter 706 of NRS. (NRS 706.151) **Sections 13 and 23-25** of this bill change the name of the Transportation Services Authority to the Nevada Transportation Authority.

Section 19 of this bill requires the Authority to adopt regulations specifying the training which its compliance enforcement officers must receive.

Existing law allows the Authority to appoint a Deputy and employ other persons as needed. (NRS 706.176) **Section 27** of this bill requires the Authority to appoint a Deputy Commissioner and sets forth the qualifications and duties for the position. **Section 27** also requires the Authority to employ compliance enforcement officers and sets forth the duties for those positions.

Existing law provides that an employee designated as an inspector or as Manager of Transportation by the Authority is a peace officer and has police powers. (NRS 289.320) **Section 14** of this bill amends this provision to apply only to inspectors.
