13   **10 ~~H~~ and except for persons who are supervised pursuant to  
14   section 1 of this act,** the unlicensed personnel of a school district  
15   must be directly supervised by licensed personnel in all duties which  
16   are instructional in nature. To the extent practicable, the direct  
17   supervision must be such that the unlicensed personnel are in the  
18   immediate location of the licensed personnel and are readily  
19   available during such times when supervision is required.

20   **2.** Unlicensed personnel who are exempted pursuant to  
21   subsection 4 must be under administrative supervision when  
22   performing duties which are instructional in nature.

23   **3.** Unlicensed personnel may temporarily perform duties under  
24   administrative supervision which are not primarily instructional in  
25   nature.

26   **4.** Except as otherwise provided in subsection 5, upon  
27   application by a superintendent of schools, the Superintendent of  
28   Public Instruction may grant an exemption from the provisions of  
29   subsection 1. The Superintendent shall not grant an exemption  
30   unless:

31    **(a)** The duties are within the employee's special expertise or  
32    training;

33    **(b)** The duties relate to the humanities or an elective course of  
34    study, or are supplemental to the basic curriculum of a school;

35    **(c)** The performance of the duties does not result in the  
36    replacement of a licensed employee or prevent the employment of a  
37    licensed person willing to perform those duties;

38    **(d)** The secondary or combined school in which the duties will  
39    be performed has less than 100 pupils enrolled and is at least 30

41    personnel; and

42    **(e)** The unlicensed employee submits his fingerprints for an  
43    investigation pursuant to NRS 391.033.

44   **5.** The exemption authorized by subsection 4 does not apply to  
45   a paraprofessional if the provisions of 20 U.S.C. § 6319 and the

\* A B 5 1 2 R 2 \*

1 regulations adopted pursuant thereto require the paraprofessional to  
2 be directly supervised by a licensed teacher.

4 of all exempt personnel with the clerk of the board of trustees of  
5 each local school district, and advise the clerk of any changes  
6 therein. The record must contain:

8           (b) The specific instructional duties he may perform;

15 regulations prescribing the procedure to apply for an exemption  
16 pursuant to this section and the criteria for the granting of such  
17 exemptions.

18       8. Except in an emergency, it is unlawful for the board of  
19 trustees of a school district to allow a person employed as a  
20 teacher's aide to serve as a teacher unless the person is a legally  
21 qualified teacher licensed by the Superintendent of Public  
22 Instruction. As used in this subsection, "emergency" means an  
23 unforeseen circumstance which requires immediate action and  
24 includes the fact that a licensed teacher or substitute teacher is not  
25 immediately available.

26       9. If the Superintendent of Public Instruction determines that  
27 the board of trustees of a school district has violated the provisions  
28 of subsection 8, he shall take such actions as are necessary to reduce

30 387.124 by an amount equal to the product when the following  
31 numbers are multiplied together:

33           (b) The number of pupils in the classroom taught by the  
34 teacher's aide; and  
35           (c) The number of dollars of basic support apportioned to the  
36 district per pupil per day pursuant to NRS 387.1233.

37       10. The provisions of this section do not apply to unlicensed  
38 personnel who are employed by the governing body of a charter  
39 school, unless a paraprofessional employed by the governing body  
40 is required to be directly supervised by a licensed teacher pursuant  
41 to the provisions of 20 U.S.C. § 6319 and the regulations adopted  
42 pursuant thereto.

43       **Sec. 3.** 1. The Legislative Committee on Education shall,

1       (a) The effect of the use of long-term substitutes who are not  
2 licensed teachers on the performance of pupils and the effect of the  
3 use of student teachers as substitutes pursuant to section 1 of this act  
4 on the performance of pupils;

5       (b) The number of long-term substitutes employed in this State

9 pursuant to section 1 of this act in this State and the number

18      2. The Legislative Committee on Education may appoint a  
19 subcommittee to conduct the study required pursuant to subsection 1

22 postsecondary education in this State conduct the study and report to  
23 the Committee.

24      3. On or before February 1, 2009, the Legislative Committee  
25 on Education shall submit a report of the results of the study
