AN ACT relating to administrators of facilities for long-term care; providing for the reinstatement of expired licenses for administrators of a residential facility for groups or nursing facility administrators; requiring the payment of a fee for reinstatement; requiring the Nevada State Board of Examiners for Administrators of Facilities for Long-Term Care to make reasonable efforts to notify licensees of license renewal requirements and license expirations; revising provisions governing the authority of the Board to take disciplinary action against a person who holds a license; authorizing the Board to proceed with certain investigations, actions or disciplinary proceedings against persons with expired licenses; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

- 1 Existing law provides for the licensing of administrators of facilities for long-
- 2 term care. (NRS 654.140-654.180) The license of a nursing facility administrator or
- 3 an administrator of a residential facility for groups expires 2 years after it was
- 4 issued unless it is renewed. (NRS 654.170) **Section 1** of this bill requires the
- 5 Nevada State Board of Examiners for Administrators of Facilities for Long-Term
- 6 Care to reinstate a license that expired if the person who held the license pays a fee

7 and fulfills certain other requirements. **Section 1** also requires the Board to make
8 reasonable efforts to notify a person who holds a license that renewal of a license is
9 coming due and to notify a person if the license held by the person expired.

10 Under existing law, the Board may impose an administrative fine of not more
11 than \$2,500 on a person who holds a license and may suspend or revoke a license
12 for various violations. (NRS 654.190) **Section 2** of this bill increases the maximum
13 amount of the administrative fine that the Board may impose to not more than
14 \$5,000 and authorizes the Board to recover reasonable investigative fees and costs,
15 to place conditions on a license and to place a person who holds a license on
16 probation. **Section 2** also adds violations which would subject a person who holds a
17 license to disciplinary action by the Board and provides that the expiration of a
18 license or the voluntary surrender of a license does not deprive the Board of
19 jurisdiction to continue disciplinary proceedings against the person who held the
20 license.

21 Existing law authorizes the reinstatement of a suspended license of an
22 administrator of a residential facility for groups if a majority of the members of the
23 Board vote in favor of the reinstatement. (NRS 654.195) **Section 3** of this bill
24 additionally authorizes reinstatement of the license if the person who held the
25 license reapplies for the license and the Board determines that the person meets the
26 requirements for the issuance of a license.
