EXPLANATION – Matter in ***bolded italics*** is new; matter between brackets **[omitted material]** is material to be omitted.

AN ACT relating to real property; establishing requirements concerning agreements between debtors and third parties for assistance in the recovery of certain proceeds of a foreclosure sale; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, the balance of any proceeds of a foreclosure sale on real property remaining after the payment of the expenses relating to the sale, the obligation being enforced by the sale and any other obligations secured by the property is required to be paid to the debtor or his successor in interest. (NRS 40.462) This bill authorizes a debtor and a third party to enter into an agreement pursuant to which the third party assists the debtor in the recovery of the balance of any proceeds due to the debtor after a foreclosure sale and establishes the requirements for such an agreement. This bill also requires that fees charged by third parties pursuant to such agreements must be reasonable and provides a presumption that fees which exceed \$2,500 are unreasonable. A third party seeking a fee that exceeds \$2,500 is authorized to apply to a court for permission to charge the higher fee.

SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

25 amount set forth in the agreement.*

26 *5. A third party may apply to the court for permission to
27 charge a fee that exceeds \$2,500. Any third party applying to the
28 court pursuant to this subsection has the burden of establishing to
