Legislative Counsel's Digest:

Existing law establishes the Department of Wildlife and requires the Department to administer the wildlife laws of this State. (NRS 501.331)

Section 25 of this bill requires the Department to issue a 1-day group fishing permit to a group upon payment of the fee for the permit. A "group" means a group of persons that consists of at least one adult who is at least 16 years of age and at least one child who is at least 12 years of age but less than 16 years of age. **Section 30** of this bill authorizes a person to fish for trout without obtaining a state trout stamp if the person is fishing under the authority of a 1-day group fishing permit.

Existing law states that a person who hunts or traps any wild bird or mammal or who fishes without first obtaining a license or permit to do so is guilty of a misdemeanor. (NRS 502.010) Existing law further states that a person who traps fur-bearing mammals must obtain a trapping license. (NRS 503.454) **Section 26** of

* A B 5 7 3 R 1 *

this bill states that a person who hunts or fishes any wildlife without a license or permit is guilty of a misdemeanor. "Wildlife" means any wild mammal, wild bird, fish, reptile, amphibian, mollusk or crustacean found naturally in a wild state. (NRS 501.097)

Existing law requires a license that grants the privilege to hunt, fish or trap to include certain information, including, without limitation, the name, address and description of the holder of the license and the date the license is issued. (NRS 502.030) **Section 27** of this bill expands that requirement to include any permit to hunt, fish or trap.

Existing law sets forth the fees that must be paid for licenses, permits and tags to hunt, fish and trap in Nevada. (NRS 502.240, 502.250) **Section 28** of this bill imposes a fee of \$20 for the issuance of a 1-day permit to hunt migratory game birds and a fee of \$8 for each consecutive day added to that permit. **Section 29** of this bill imposes a fee of \$1,200 for the issuance of a nonresident antlered elk tag and a fee of \$500 for the issuance of a nonresident antlerless elk tag.
