

Assembly Bill No. 612—Committee on Ways and Means

CHAPTER.....

AN ACT relating to public employees; revising the provisions governing the selection of plans for the use of the participants in the Public Employees' Deferred Compensation Program; and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

Under existing law, the Public Employees' Deferred Compensation Program for employees of the State or the Nevada System of Higher Education is administered by a Committee appointed by the Governor. (NRS 287.325) The Committee and its individual members are immune from civil liability if the Committee solicits proposals from qualified providers of plans at least once every 5 years and selects at least two plans from separate and distinct providers from which the participants in the Program may choose. (NRS 287.330) This bill authorizes the Committee to select only one plan for the use of the participants in the Program and still maintain its immunity from civil liability.
