AN ACT relating to crimes; revising the additional penalty that must be imposed under certain circumstances for using a firearm, other deadly weapon or a weapon containing or capable of emitting tear gas in the commission of a crime; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, a person who uses a firearm, other deadly weapon or a weapon containing or capable of emitting tear gas in the commission of a crime must be punished by imprisonment in the state prison for a term equal to and in addition to the term of imprisonment for the underlying crime. (NRS 193.165) This bill revises the term of imprisonment for this additional penalty to require instead that, in addition to the punishment prescribed for the underlying crime, a person who uses a firearm, other deadly weapon or a weapon containing or capable of emitting tear gas in the commission of a crime must be punished by imprisonment in the state prison for a term of not less than 1 year and not more than 10 years.
