AN ACT relating to graffiti; revising the penalties for placing graffiti on or otherwise defacing public or private property; and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

1        This bill revises the penalties for placing graffiti on or otherwise defacing  
2        public or private property. Existing law makes it a category E felony to engage in  
3        such acts if the value of the loss to the property owner is \$5,000 or more. (NRS  
4        206.330) **Section 1** of this bill lowers that monetary threshold to \$1,000. Existing  
5        law further requires a person who places graffiti on or otherwise defaces public or  
6        private property to perform community service in an amount determined by  
7        whether the person has previously committed such an offense. **Section 1** instead  
8        requires any person who engages in such acts to perform supervised community  
9        service related to the abatement of graffiti every weekend for 1 year. (NRS  
10      206.330) Existing law authorizes the court in such cases to suspend the driver's  
11      license of the defendant for a period of 6 months and authorizes a juvenile court to  
12      suspend the driver's license of a child for at least 90 days but not more than 2 years  
13      if the minor is found delinquent for engaging in such acts. (NRS 62E.690, 206.330)  
14      **Sections 1 and 2** of this bill make the suspension mandatory and increases the  
15      minimum suspension to 6 months for a child.
