EXPLANATION – Matter in ***bolded italics*** is new; matter between brackets ***[omitted material]*** is material to be omitted.

ASSEMBLY CONCURRENT RESOLUTION—Creating an
interim study concerning environmental pollutants and
global warming.

1 RESOLVED BY THE ASSEMBLY OF THE STATE OF NEVADA, THE
2 SENATE CONCURRING, That the Legislative Commission is hereby
3 directed to appoint an interim committee composed of three
4 members of the Assembly and three members of the Senate, one of
5 whom must be appointed as chairman of the committee, to conduct
6 an interim study of the effects of environmental pollutants and
7 global warming on this State; and be it further

8 RESOLVED, That the study must consider environmental
9 protection, disease prevention and source reduction as these efforts
10 are impacted by the presence of mercury, silica and other
11 environmental pollutants in this State; and be it further

12 RESOLVED, That the study must include a review of the federal
13 and state regulation of environmental pollutants in this State and
14 look at what can be done about the effects of global warming on the
15 State of Nevada; and be it further

16 RESOLVED, That the study must also include consideration of
17 the extent to which industry in this State and the residents of this
18 State may be contributing to global warming and what steps might
19 be taken to reduce our contribution to global warming; and be it
20 further

21 RESOLVED, That the committee shall submit its findings, and
22 any recommendations for legislation that are approved by a majority
23 of the members of the Assembly and a majority of the members of
