AN ACT relating to crimes; prohibiting a person from knowingly and intentionally capturing an image of the private area of another person under certain circumstances; prohibiting a person from knowingly distributing, disclosing, displaying, transmitting or publishing an image captured under such circumstances; prohibiting the inspection or release of such images under certain circumstances; providing penalties; and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

1        This bill, which is patterned after similar provisions of federal law, prohibits a  
2        person from knowingly and intentionally capturing an image of the private area of  
3        another person without the consent of the other person and under circumstances in  
4        which the other person has a reasonable expectation of privacy. This bill also  
5        prohibits a person from distributing, disclosing, displaying, transmitting or  
6        publishing an image that the person knows or has reason to know was made under  
7        such circumstances. A person who violates either provision is guilty of a category E  
8        felony, which means that the court is required to sentence the person to  
9        imprisonment in the state prison for a minimum term of not less than 1 year and a  
10      maximum term of not more than 4 years, and may fine the person up to \$5,000. The  
11      court is then required to suspend the execution of the sentence and place the person  
12      on probation after sentencing, unless specific circumstances are established which  
13      provide the court with discretion to decide whether to grant probation. Probation is

14 subject to any conditions imposed by the court and may include serving up to 1  
15 year in the county jail. (NRS 193.130) This bill does not prohibit any lawful law  
16 enforcement or correctional activity for the purpose of investigating or prosecuting  
17 such violations, but this bill does prohibit the inspection or release of such images  
18 under certain circumstances to protect the privacy of the victim.
