1 for the period of temporary total disability, 66 2/3 percent of the
2 average monthly wage.

3 2. Except as otherwise provided in NRS 616B.028 and
4 616B.029, an injured employee or his dependents are not entitled to
5 accrue or be paid any benefits for a temporary total disability during
6 the time the injured employee is incarcerated. The injured employee
7 or his dependents are entitled to receive such benefits when the
8 injured employee is released from incarceration if he is certified as
9 temporarily totally disabled by a physician or chiropractor.

10 3. If a claim for the period of temporary total disability is
11 allowed, the first payment pursuant to this section must be issued by

15 amendment of subsection 1 is not retroactive.

16 5. Payments for a temporary total disability must cease when:

17 (a) A physician or chiropractor determines that the employee is
18 physically capable of any gainful employment for which the
19 employee is suited, after giving consideration to the employee's
20 education, training and experience;

21 (b) The employer offers the employee light-duty employment or
22 employment that is modified according to the limitations or
23 restrictions imposed by a physician or chiropractor pursuant to
24 subsection 7; or

26 616B.029, the employee is incarcerated.

29 by the Division for the injured employee to request continued
30 compensation for the temporary total disability.

31 7. A certification of disability issued by a physician or
32 chiropractor must:

33 (a) Include the period of disability and a description of any
34 physical limitations or restrictions imposed upon the work of the
35 employee;

1 making the offer. The making, acceptance or rejection of an offer of
2 temporary, light-duty employment pursuant to this subsection does
3 not affect the eligibility of the employee to receive vocational
4 rehabilitation services, including compensation, and does not
5 exempt the employer from complying with NRS 616C.545 to
6 616C.575, inclusive, and 616C.590 or the regulations adopted by
7 the Division governing vocational rehabilitation services. Any offer
8 of temporary, light-duty employment made by the employer must

15 employment, equal to the gross wage the employee was earning at
16 the time of his injury; or

17 (2) If the position is not in the same classification of
18 employment, substantially similar to the gross wage the employee
19 was earning at the time of his injury; and
