AN ACT relating to crimes; prohibiting a person from knowingly and intentionally capturing an image of the private area of another person under certain circumstances; prohibiting a person from knowingly distributing, disclosing, displaying, transmitting or publishing an image captured under such circumstances; prohibiting the inspection or release of such images under certain circumstances; providing penalties; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

1 This bill, which is patterned after similar provisions of federal law, prohibits a
2 person from knowingly and intentionally capturing an image of the private area of
3 another person without the consent of the other person and under circumstances in
4 which the other person has a reasonable expectation of privacy. This bill also
5 prohibits a person from distributing, disclosing, displaying, transmitting or
6 publishing an image that the person knows or has reason to know was made under
7 such circumstances. A person who violates either provision for a first offense is
8 guilty of a gross misdemeanor and for a second or subsequent offense is guilty of a
9 category E felony. This bill does not prohibit any lawful law enforcement or
10 correctional activity for the purpose of investigating or prosecuting such violations,
11 but this bill does prohibit the inspection or release of such images under certain
12 circumstances to protect the privacy of the victim.
