AN ACT relating to education; revising provisions governing the administration of tests, examinations and assessments by the boards of trustees of school districts; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the administration of the following examinations to pupils enrolled in the public schools: (1) examinations that are administered to a national reference group of pupils in grades 4, 7 and 10 (norm-referenced tests or NRTs); (2) examinations that assess the progress of pupils on the state standards of content and performance in grades 3 through 8 (criterion-referenced tests or CRTs); (3) the high school proficiency examination which pupils must pass to receive a standard high school diploma; and (4) examinations of the National Assessment of Educational Progress. (NRS 389.012, 389.015, 389.550) With the exception of the NRTs, the administration of these examinations is required by the No Child Left Behind Act of 2001, 20 U.S.C. §§ 6301 et seq.

Section 1 of this bill authorizes the board of trustees of each school district to require the administration of additional district-wide tests, examinations and assessments that the board of trustees determines are vital to measuring pupil achievement and progress.

Section 2 of this bill requires the Boards of Trustees of the Clark County and Washoe County School Districts to submit reports to the Legislative Committee on Education concerning the testing of pupils within their respective districts.

1 **Section 1.** Chapter 389 of NRS is hereby amended by adding
2 thereto a new section to read as follows:

14 *3. The board of trustees of each school district and the State
15 Board shall periodically review the tests, examinations and
16 assessments administered to pupils to ensure that the time taken
