**AN ACT** relating to the Reno-Tahoe Airport Authority; providing an exemption from the Local Government Purchasing Act for certain contracts entered into by the Board of Trustees of the Authority; and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

Under existing law, the Reno-Tahoe Airport Authority, as an entity which has the right to levy and collect ad valorem taxes, is subject to the Local Government Purchasing Act, which, subject to certain exceptions, requires competitive bidding with respect to contracts where the estimated amount required to perform the contract exceeds \$25,000. (Chapter 332 of NRS; Reno-Tahoe Airport Authority Act §§ 9, 12) This bill exempts the Authority from the Local Government Purchasing Act for contracts entered into by the Board of Trustees of the Authority to comply with a federal mandate requiring a secure area for use in preventing, responding to or providing services of recovery or relief in connection with emergencies, acts of terrorism or other natural or man-made disasters.
