AN ACT relating to public records; providing that certain records of a nongovernmental entity are public books or records under certain circumstances; requiring a governmental entity to take certain action in response to a written request to inspect or copy a public book or record; making various changes regarding the confidentiality of records; authorizing a person to apply to a district court for an order to allow the person to inspect or copy certain confidential public books or records that have been in the custody of a governmental entity for a certain period; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, all public books and records of a governmental entity, the contents of which are not otherwise declared by law to be confidential or which the governmental entity determines pursuant to a balancing test must not be disclosed, must be open at all times during office hours for inspection and copying. (NRS 239.010; *Donrey v. Bradshaw*, 106 Nev. 630 (1990))

Section 4 of this bill provides that if a governmental entity receives a written request to inspect or copy a public book or record, the governmental entity must, within 5 business days after the date on which the person who has legal custody or control of the book or record has received the request: (1) allow the requester to inspect or copy the public book or record; (2) if the governmental entity does not have legal custody or control of the public book or record, notify the requester of that fact and where, if known, the public book or record is located; (3) if the governmental entity cannot make the public book or record available within 5 business days, notify the requester of the date and time when the book or record will be available; or (4) if the public book or record is confidential, notify the requester of that fact in writing, including a citation to the legal authority that makes the book or record confidential.

With the exception of public books or records pertaining to applicants for gaming licenses, **section 6** of this bill provides that, notwithstanding any provision of law that has declared a public book or record, or a part thereof, to be confidential, once a public book or record has been in the legal custody or control of one or more governmental entities for a period of at least 30 years, a person may apply to the appropriate district court for an order allowing him to inspect or copy the public book or record. If the public book or record pertains to a natural person, a person may not apply for such a court order until 30 years after the book or record has been in the legal custody or control of a governmental entity or the death of the person to whom the book or record pertains, whichever is later. **Section 218** of this bill clarifies that a person may apply for such an order on or after October 1, 2007, the effective date of the bill, to inspect or copy public books or records that already meet the conditions set forth in **section 6**.

Section 5 of this bill provides that in any judicial or administrative proceeding in which the confidentiality of a public book or record is at issue and the governmental entity that has legal custody or control of the public book or record asserts that the public book or record is confidential, the governmental entity has the burden of proving such confidentiality.

Sections 3 and 7 of this bill provide that although a nongovernmental entity which performs certain functions for or on behalf of a governmental entity is considered a governmental entity for the purposes of Nevada's public records law (chapter 239 of NRS), the records of a nongovernmental entity that are directly related to the administration, management or regulation of an activity, program, institution or facility for or on behalf of a governmental entity are public records that must be open for inspection and copying. **Section 3** specifically excludes financial or other proprietary records of a nongovernmental entity from this requirement.

Section 8 of this bill provides that a governmental entity shall not deny a request to inspect or copy a public book or record because the public book or record contains information that is confidential if the governmental entity can redact the confidential information.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 239 of NRS is hereby amended by adding thereto the provisions set forth as sections 2 to 6, inclusive, of this act.

Sec. 2. *The Legislature hereby finds and declares that:*

1. The purpose of this chapter is to foster democratic principles by providing members of the public with access to inspect and copy public books and records to the extent permitted by law;

2. The provisions of this chapter must be construed liberally to carry out this important purpose; and

3. Any exemption, exception or balancing of interests which limits or restricts access to public books and records by members of the public must be construed narrowly.

Sec. 3. 1. Except as otherwise provided in subsection 2, records of a nongovernmental entity that are directly related to the

1 *administration, management or regulation of an activity, program,*
2 *institution or facility by the nongovernmental entity for or on*
3 *behalf of a governmental entity are public records that must be*
4 *open for inspection and copying.*

5 2. This section does not apply to the financial or other
6 proprietary records of the nongovernmental entity.

7 **Sec. 4.** 1. Not later than the end of the fifth business day
8 after the date on which the person who has legal custody or
9 control of a public book or record of a governmental entity
10 receives a written request from a person to inspect or copy the
11 public book or record, a governmental entity shall do one of the
12 following, as applicable:

13 (a) Allow the person to inspect or copy the public book or
14 record.

15 (b) If the governmental entity does not have legal custody or
16 control of the public book or record, provide to the person, in
17 writing:

18 (1) Notice of that fact; and

19 (2) The name and address of the governmental entity that
20 has legal custody or control of the public book or record, if known.

21 (c) Except as otherwise provided in paragraph (d), if the
22 governmental entity is unable to make the public book or record
23 available by the end of the fifth business day after the date on
24 which the person who has legal custody or control of the public
25 book or record received the request, provide to the person, in
26 writing:

27 (1) Notice of that fact; and

28 (2) A date and time after which the public book or record
29 will be available for the person to inspect or copy. If the public
30 book or record is not available to the person to inspect or copy by
31 that date and time, the person may inquire regarding the status of
32 the request.

33 (d) If the governmental entity must deny the person's request
34 to inspect or copy the public book or record because the public
35 book or record, or a part thereof, is confidential, provide to the
36 person, in writing:

37 (1) Notice of that fact; and

38 (2) A citation to the specific statute or other legal authority
39 that makes the public book or record, or a part thereof,
40 confidential.

41 2. The provisions of this section must not be construed to
42 prohibit an oral request to inspect or copy a public book or record.

43 **Sec. 5.** Except as otherwise provided in section 6 of this act,
44 if:

1 1. The confidentiality of a public book or record, or a part
2 thereof, is at issue in a judicial or administrative proceeding; and

3 2. The governmental entity that has legal custody or control
4 of the public book or record asserts that the public book or record,
5 or a part thereof, is confidential,

6 ↳ the governmental entity has the burden of proving by a
7 preponderance of the evidence that the public book or record, or a
8 part thereof, is confidential.

9 **Sec. 6.** 1. Except as otherwise provided in this subsection
10 and subsection 3, notwithstanding any provision of law that has
11 declared a public book or record, or a part thereof, to be
12 confidential, if a public book or record has been in the legal
13 custody or control of one or more governmental entities for at
14 least 30 years, a person may apply to the district court of the
15 county in which the governmental entity that currently has legal
16 custody or control of the public book or record is located for an
17 order directing that governmental entity to allow the person to
18 inspect or copy the public book or record, or a part thereof. If the
19 public book or record pertains to a natural person, a person may
20 not apply for an order pursuant to this subsection until the public
21 book or record has been in the legal custody or control of one or
22 more governmental entities for at least 30 years or until the death
23 of the person to whom the public book or record pertains,
24 whichever is later.

25 2. There is a rebuttable presumption that a person who
26 applies for an order as described in subsection 1 is entitled to
27 inspect or copy the public book or record, or a part thereof, that he
28 seeks to inspect or copy.

29 3. The provisions of subsection 1 do not apply to any public
30 book or record pertaining to an applicant that has been declared
31 confidential pursuant to subsection 4 of NRS 463.120. As used
32 in this subsection, "applicant" has the meaning ascribed to it in
33 NRS 463.0135.

Sec. 215. NRS 704B.320 is hereby amended to read as follows:

704B.320 1. For eligible customers whose loads are in the service territory of an electric utility that primarily serves densely populated counties, the aggregate amount of energy that all such eligible customers purchase from providers of new electric resources before July 1, 2003, must not exceed 50 percent of the difference between the existing supply of energy generated in this State that is available to the electric utility and the existing demand for energy in this State that is consumed by the customers of the electric utility, as determined by the Commission.

2. An eligible customer that is a nongovernmental commercial or industrial end-use customer whose load is in the service territory of an electric utility that primarily serves densely populated counties shall not purchase energy, capacity or ancillary services from a provider of new electric resources unless, as part of the proposed transaction, the eligible customer agrees to:

(a) Contract with the provider to purchase:

(1) An additional amount of energy which is equal to 10 percent of the total amount of energy that the eligible customer is purchasing for its own use under the proposed transaction and which is purchased at the same price, terms and conditions as the energy purchased by the eligible customer for its own use; and

(2) The capacity and ancillary services associated with the additional amount of energy at the same price, terms and conditions as the capacity and ancillary services purchased by the eligible customer for its own use; and

(b) Offers to assign the rights to the contract to the electric utility for use by the remaining customers of the electric utility.

3. If an eligible customer is subject to the provisions of subsection 2, the eligible customer shall include with its application filed pursuant to NRS 704B.310 all information concerning the contract offered to the electric utility that is necessary for the Commission to determine whether it is in the best interest of the remaining customers of the electric utility for the electric utility to accept the rights to the contract. Such information must include, without limitation, the amount of the energy and capacity to be purchased under the contract, the price of the energy, capacity and ancillary services and the duration of the contract.

4. Notwithstanding any specific statute to the contrary, information concerning the price of the energy, capacity and ancillary services and any other terms or conditions of the contract that the Commission determines are commercially sensitive:

(a) Must not be disclosed by the Commission except to the Regulatory Operations Staff of the Commission, the Consumer's Advocate and his staff and the electric utility for the purposes of carrying out the provisions of this section; and

(b) ~~[Shall]~~ *Except as otherwise provided in section 6 of this act, shall* be deemed to be confidential for all other purposes, and the Commission shall take such actions as are necessary to protect the confidentiality of such information.

(a) Is not in the best interest of the remaining customers of the electric utility, the electric utility shall not accept the rights to the contract, and the eligible customer is entitled to all rights to the contract.

(b) Is in the best interest of the remaining customers of the electric utility, the electric utility shall accept the rights to the contract and the eligible customer shall assign all rights to the contract to the electric utility. A contract that is assigned to the electric utility pursuant to this paragraph shall be deemed to be an approved part of the resource plan of the electric utility and a prudent investment, and the electric utility may recover all costs for

1 the energy, capacity and ancillary services acquired pursuant to the
2 contract. To the extent practicable, the Commission shall take
3 actions to ensure that the electric utility uses the energy, capacity
4 and ancillary services acquired pursuant to each such contract only
5 for the benefit of the remaining customers of the electric utility that
6 are not eligible customers, with a preference for the remaining
7 customers of the electric utility that are residential customers with
8 small loads.

9 6. The provisions of this section do not exempt the electric
10 utility, in whole or in part, from the requirements imposed on the
11 electric utility pursuant to NRS 704.7801 to 704.7828, inclusive, to
12 comply with its portfolio standard. The Commission shall not take

31 approval from the Commission before those nonconforming terms
32 and conditions are enforceable.

34 for approval of any nonconforming terms and conditions, the
35 Commission shall review and make a determination concerning the
