AN ACT relating to governmental administration; authorizing each county clerk to charge and collect an additional fee to pay for the acquisition and improvement of technology used in the office of the county clerk; increasing the amount of certain court fees charged and collected by county clerks; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

1 Existing law requires each county clerk to charge and collect certain fees
2 relating to certain civil actions and proceedings in district court. (NRS 19.013-
3 19.0335) **Section 2** of this bill increases certain fees charged and collected by each
4 county clerk and authorizes each county clerk to charge and collect an additional
5 fee not to exceed \$5 for filing and recording a bond of a notary public, per name.
6 The additional fee, if charged and collected, must be credited to an account
7 described in **section 1** of this bill. (NRS 19.013) **Section 1** provides that if a county
8 clerk charges and collects an additional fee for filing and recording a bond of a
9 notary public, the proceeds must be accounted for separately in the county general
10 fund and the money in the account must be used only to acquire technology for or
11 to improve technology used in the office of the county clerk.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN

1. If a county clerk imposes an additional fee pursuant to subsection 2 of NRS 19.013, the proceeds collected from such a fee must be accounted for separately in the county general fund. Any interest earned on money in the account, after deducting any applicable charges, must be credited to the account. Money that remains in the account at the end of a fiscal year does not revert to the county general fund, and the balance in the account must be carried forward to the next fiscal year.

2. The money in the account must be used only to acquire technology for or to improve technology used in the office of the county clerk, including, without limitation, costs related to acquiring or improving technology for converting and archiving records, purchasing hardware and software, maintaining the technology, training employees in the operation of the technology and contracting for professional services relating to the technology.
