

CHAPTER.....

AN ACT relating to local governmental purchasing; increasing the monetary thresholds at which local governmental purchasing contracts must be advertised or put out to bid; and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

Under existing law, a local government is required to advertise a purchasing contract if the estimated cost to perform the contract exceeds \$25,000. (NRS 332.039) Local governmental purchasing contracts that are required to be advertised must be published, and a person who submits a bid on such a contract may protest the awarding of the contract. (NRS 332.045, 332.068) This bill requires a local government to advertise a purchasing contract if the estimated annual cost required to perform the contract exceeds \$50,000.

Under existing law, if the estimated cost to perform a local governmental purchasing contract is more than \$10,000 but not more than \$25,000, the local government is not required to advertise the contract but is required to submit requests for bids to at least two persons capable of performing the contract, if available. (NRS 332.039) This bill raises the applicable range of estimated costs so that a local government is required to submit such a request for bids in connection with a purchasing contract if the estimated annual cost to perform the contract is more than \$25,000 but not more than \$50,000.
