

CHAPTER.....

AN ACT relating to purchasing; requiring organizations that wish to participate in the Program to Encourage and Facilitate Purchases by Agencies of Commodities and Services From Organizations to register with and submit quarterly reports to the Rehabilitation Division of the Department of Employment, Training and Rehabilitation; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the Rehabilitation Division of the Department of Employment, Training and Rehabilitation to establish a Program to Encourage and Facilitate Purchases by Agencies of Commodities and Services From Organizations. (NRS 334.025) Existing law also authorizes an exception to the competitive bidding process for purchasing by the State and by local governments from organizations and agencies whose primary purpose is the training and employment of persons with mental or physical disabilities. (NRS 332.117, 333.375) **Sections 1-3** of this bill require organizations that wish to participate in the Program and qualify for the exemption to the competitive bidding process to register with, and to submit quarterly reports to, the Rehabilitation Division.

Section 4 of this bill requires the Administrator of the Division to review the registration and reporting requirements imposed by this bill and to report on that review to the 75th Session of the Nevada Legislature.

Section 5 of this bill repeals the expiration of section 14 of chapter 377, Statutes of Nevada 2005, at page 1445. Thus, the changes made by section 14 of that chapter of Statutes of Nevada to NRS 334.025 will no longer expire by limitation on June 30, 2013, and the Program will continue to be administered by the Division instead of a Committee on Employment of Persons with Disabilities created by the Governor.
