~

EXPLANATION – Matter in ***bolded italics*** is new; matter between brackets ***[omitted material]*** is material to be omitted.

---

AN ACT relating to health; creating the Nevada Academy of Health; and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

1        This bill creates the Nevada Academy of Health and authorizes the Legislative  
2        Committee on Health Care, which is established pursuant to NRS 439B.200, to  
3        prescribe certain duties and make various requests of the Academy. This bill  
4        expires by limitation on June 30, 2009.

---

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN  
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1        **Section 1.** Chapter 439B of NRS is hereby amended by adding  
2        thereto a new section to read as follows:

3        ***1. There is hereby established the Nevada Academy of Health***  
4        ***consisting of 14 members as follows:***  
5        ***(a) The Director or his designee;***

\* S B 1 7 1 R 3 \*

1       (b) One member who represents the Nevada System of Higher  
2 Education appointed by the Board of Regents of the University of  
3 Nevada;  
4       (c) Six members appointed by the Governor;  
5       (d) Two members appointed by the Majority Leader of the  
6 Senate;  
7       (e) Two members appointed by the Speaker of the Assembly;  
8       (f) One member appointed by the Minority Leader of the  
9 Senate; and  
10      (g) One member appointed by the Minority Leader of the  
11 Assembly.

12     2. The members appointed to the Academy pursuant to  
13 subsection 1 must not be legislators and, to the extent practicable,  
14 must:

15       (a) Represent agencies and organizations that provide  
16 education or training for providers of health care;  
17       (b) Be advocates for the rights of patients;  
18       (c) Be recognized academic scholars; or  
19       (d) Be members of the general public who have specialized  
20 knowledge and experience that are beneficial to the Academy.

21     3. The Chairman of the Academy must be elected from  
22 among the members of the Academy.

23     4. Each member of the Academy who is not an officer or  
24 employee of the State serves without compensation and is not  
25 entitled to receive a per diem allowance or travel expenses.

26     5. Each member of the Academy who is an officer or  
27 employee of the State must be relieved from his duties without loss  
28 of his regular compensation so that he may attend meetings of the  
29 Committee or the Academy and is entitled to receive the per diem  
30 allowance and travel expenses provided for state officers and  
31 employees generally, which must be paid by the state agency that  
32 employs him.

33     6. A vacancy occurring in the membership of the Academy  
34 must be filled in the same manner as the original appointment. A  
35 member of the Academy may be reappointed.

36     7. The Academy shall:

37       (a) Perform any duties prescribed by, and comply with all  
38 requests from, the Committee;

39       (b) Study issues relating to health care in this State, including,  
40 without limitation, medical and clinical research and the  
41 education and training of providers of health care;

42       (c) Establish standards and goals concerning the provision of  
43 health care which are measurable and regularly evaluated;

\* S B 1 7 1 R 3 \*

1       (d) Analyze and evaluate data relating to health care that is  
2 created, collected or reviewed by the Committee and the  
3 Department;

4       (e) Promote cooperation between the public and private  
5 sectors, including the transfer of technology used to provide health  
6 care and the establishment of business partnerships that promote  
7 economic development in this State;

8       (f) Provide recommendations to the Governor and the  
9 Legislature concerning the establishment of a statewide  
10 biomedical and health research program;

11      (g) Provide to the Committee:

12       (1) Such assistance and technical expertise on matters  
13 relating to health care as the Committee may request; and

14       (2) Advice and recommendations from consumers of health  
15 care; and

16       (h) Provide to the Department, at the direction of the  
17 Committee:

18       (1) Technical expertise in matters relating to health care;  
19 and

20       (2) Advice and recommendations from consumers of health  
21 care.

22       8. The Academy may appoint advisory committees if  
23 necessary or appropriate to assist the Academy in carrying out the  
24 provisions of this section.

25       9. The Academy may accept gifts, grants and donations of  
26 money from any source to carry out the provisions of this section.

27      Sec. 2. NRS 439B.220 is hereby amended to read as follows:

28      439B.220 The Committee may:

29       1. Review and evaluate the quality and effectiveness of  
30 programs for the prevention of illness.

31       2. Review and compare the costs of medical care among  
32 communities in Nevada with similar communities in other states.

33       3. Analyze the overall system of medical care in the State to  
34 determine ways to coordinate the providing of services to all  
35 members of society, avoid the duplication of services and achieve  
36 the most efficient use of all available resources.

37       4. Examine the business of providing insurance, including the  
38 development of cooperation with health maintenance organizations  
39 and organizations which restrict the performance of medical  
40 services to certain physicians and hospitals, and procedures to  
41 contain the costs of these services.

42       5. Examine hospitals to:

43       (a) Increase cooperation among hospitals;

44       (b) Increase the use of regional medical centers; and

\* S B 1 7 1 R 3 \*

1       (c) Encourage hospitals to use medical procedures which do not  
2 require the patient to be admitted to the hospital and to use the  
3 resulting extra space in alternative ways.

4       6. Examine medical malpractice.

5       7. Examine the system of education to coordinate:

6           (a) Programs in health education, including those for the  
7 prevention of illness and those which teach the best use of available  
8 medical services; and

9           (b) The education of those who provide medical care.

10          8. Review competitive mechanisms to aid in the reduction of  
11 the costs of medical care.

12          9. Examine the problem of providing and paying for medical  
13 care for indigent and medically indigent persons, including medical  
14 care provided by physicians.

15          10. Examine the effectiveness of any legislation enacted to  
16 accomplish the purpose of restraining the costs of health care while  
17 ensuring the quality of services, and its effect on the subjects listed  
18 in subsections 1 to 9, inclusive.

19          11. Determine whether regulation by the State will be  
20 necessary in the future by examining hospitals for evidence of:

21           (a) Degradation or discontinuation of services previously  
22 offered, including without limitation, neonatal care, pulmonary  
23 services and pathology services; or

24           (b) A change in the policy of the hospital concerning contracts,  
25 → as a result of any legislation enacted to accomplish the purpose of  
26 restraining the costs of health care while ensuring the quality of  
27 services.

28          12. Study the effect of the acuity of the care provided by a  
29 hospital upon the revenues of the hospital and upon limitations upon  
30 that revenue.

31          13. Review the actions of the Director in administering the  
32 provisions of this chapter and adopting regulations pursuant to those  
33 provisions. The Director shall report to the Committee concerning  
34 any regulations proposed or adopted pursuant to this chapter.

35          14. Identify and evaluate, with the assistance of an advisory  
36 group, the alternatives to institutionalization for providing long-term  
37 care, including, without limitation:

38           (a) An analysis of the costs of the alternatives to  
39 institutionalization and the costs of institutionalization for persons  
40 receiving long-term care in this State;

41           (b) A determination of the effects of the various methods of  
42 providing long-term care services on the quality of life of persons  
43 receiving those services in this State;

44           (c) A determination of the personnel required for each method  
45 of providing long-term care services in this State; and

1       (d) A determination of the methods for funding the long-term  
2 care services provided to all persons who are receiving or who are  
3 eligible to receive those services in this State.

4       15. Evaluate, with the assistance of an advisory group, the  
5 feasibility of obtaining a waiver from the Federal Government to  
6 integrate and coordinate acute care services provided through  
7 Medicare and long-term care services provided through Medicaid in  
8 this State.

9       16. Evaluate, with the assistance of an advisory group, the  
10 feasibility of obtaining a waiver from the Federal Government to  
11 eliminate the requirement that elderly persons in this State  
12 impoverish themselves as a condition of receiving assistance for  
13 long-term care.

14       17. Conduct investigations and hold hearings in connection  
15 with its review and analysis.

16       18. Apply for any available grants and accept any gifts, grants  
17 or donations to aid the Committee in carrying out its duties pursuant  
18 to this chapter.

19       19. Direct the Legislative Counsel Bureau to assist in its  
20 research, investigations, review and analysis.

21       20. Recommend to the Legislature as a result of its review any  
22 appropriate legislation.

23       **21. *Prescribe duties and make requests, in addition to those  
24 set forth in section 1 of this act, of the Nevada Academy of Health  
25 established pursuant to that section.***

26       **Sec. 3.** 1. The members of the Nevada Academy of Health  
27 must be appointed to terms that end on June 30, 2009.

28       2. It is the intent of the members of the 74th Session of the  
29 Legislature that if the expiration of this act on June 30, 2009, does  
30 not occur because of subsequent revisions by the 75th Session of the  
31 Legislature, that the terms of the members of the Nevada Academy  
32 of Health be established as 3-year terms.

33       **Sec. 4.** This act becomes effective on July 1, 2007, and expires  
34 by limitation on June 30, 2009.
