AN ACT relating to the Chiropractic Physicians’ Board of Nevada;
providing requirements for the reinstatement of certain
licenses that have been suspended; revising provisions
governing the renewal of a license or certificate;
increasing the number of hours of continuing education
required for the renewal of a license; increasing the
maximum amount of certain fees that the Board may
charge; eliminating the requirement that the Board file
certain orders relating to the discipline of a licensee with
the county recorder; and providing other matters properly
relating thereto.

Legislative Counsel’s Digest:

1 Under existing law, a license or certificate issued by the Chiropractic
2 Physicians’ Board of Nevada must be renewed annually and a licensee must
3 complete at least 12 hours of continuing education annually. (NRS 634.130)
4 **Section 2** of this bill revises the renewal requirement for a license or certificate to
5 provide that a license or certificate must be renewed biennially. **Section 2** also
6 increases the number of hours of continuing education a licensee must complete.
7 Existing law authorizes the Board to charge various fees up to a maximum
8 amount as indicated by statute. (NRS 634.135) **Section 3** of this bill revises the
9 existing statutory schedule of maximum fees: (1) to reflect the renewal of a license
10 or certificate biennially; (2) to clarify the purpose of the existing fee for written
11 certification of licensure; and (3) to increase the fee for the review by the Board of
12 various courses of continuing education in chiropractic.

Existing law also provides that if a licensee or holder of a certificate does not renew a license or certificate on time or fails to notify the Board of a change in the location of the office of the licensee or holder, the license or certificate of the person will be automatically suspended. (NRS 634.130) **Section 2** of this bill provides that a license that was suspended for the failure to renew on time or the failure to notify the Board of a change in location may be reinstated by paying the reinstatement and renewal fees within 1 year of the original renewal deadline. **Section 1** of this bill provides for the reinstatement of suspended licenses that have not been reinstated within 1 year.

Existing law provides that every order of the Board which limits the practice of chiropractic or suspends or revokes a license must be filed with the county recorder. (NRS 634.200) **Section 4** of this bill eliminates this requirement.
