AN ACT relating to domestic relations; revising provisions governing the granting of the right to visit a child to grandparents and great-grandparents of the child; and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

1 Existing law authorizes a district court to grant visitation rights to certain  
2 relatives of an unmarried minor child, including a grandparent and great-  
3 grandparent of the child under certain conditions. Visitation rights may be granted  
4 if the parent of the child is deceased, divorced or separated from the other parent,  
5 has relinquished his parental rights or had his parental rights terminated. Generally,  
6 the court may only grant visitation rights if the parent of the child has denied or  
7 unreasonably restricted visits with the child and the person seeking visitation  
8 overcomes the presumption that granting visitation rights is not in the best interests  
9 of the child. To overcome the presumption, the person seeking visitation rights  
10 must prove by clear and convincing evidence that such visitation rights are in the  
11 best interests of the child. (NRS 125C.050) Clear and convincing evidence is  
12 established by presenting evidence which shows each factual element to be highly  
13 probable or evidence which is so clear as to leave no substantial doubt. (*In re*  
14 *Drakulich*, 111 Nev. 1556 (1995))

15 This bill expands the circumstances in which a court may grant visitation rights  
16 to the grandparent or great-grandparent of an unmarried minor child to include  
17 visitation with any unmarried minor child, including a child whose parents are  
18 married to each other and not separated, if a parent of the child has denied a  
19 grandparent or great-grandparent visits with the child.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN  
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1       **Section 1.** NRS 125C.050 is hereby amended to read as  
2 follows:

3       125C.050 1. Except as otherwise provided in this section, if a  
4 parent of an unmarried minor child:

5           (a) Is deceased;

6           (b) Is divorced or separated from the parent who has custody of  
7 the child;

8           (c) Has never been legally married to the other parent of the  
9 child, but cohabitated with the other parent and is deceased or is  
10 separated from the other parent; ~~or~~

11          (d) Has relinquished his parental rights or his parental rights  
12 have been terminated ~~; or~~

13          (e) *Has denied a great-grandparent or grandparent of the  
14 child visits with the child,*

15          → the district court in the county in which the child resides may  
16 grant to the great-grandparents and grandparents of the child and to  
17 other children of either parent of the child a reasonable right to visit  
18 the child during his minority.

19       2. If the child has resided with a person with whom he has  
20 established a meaningful relationship, the district court in the county  
21 in which the child resides also may grant to that person a reasonable  
22 right to visit the child during his minority, regardless of whether the  
23 person is related to the child.

24       3. A party may seek a reasonable right to visit the child during  
25 his minority pursuant to :

26          (a) *Paragraph (a), (b), (c) or (d) of subsection 1* ~~or~~ *only if a  
27 parent of the child has denied or unreasonably restricted visits  
28 with the child.*

29          (b) *Paragraph (e) of subsection 1 only if a parent of the child  
30 has denied visits with the child.*

31          (c) *Subsection 2* only if a parent of the child has denied or  
32 unreasonably restricted visits with the child.

33       4. If a parent of the child has denied or unreasonably restricted  
34 visits with the child, there is a rebuttable presumption that the  
35 granting of a right to visitation to a party seeking visitation is not in  
36 the best interests of the child. To rebut this presumption, the party  
37 seeking visitation must prove by clear and convincing evidence that  
38 it is in the best interests of the child to grant visitation.

39       5. The court may grant a party seeking visitation pursuant to  
40 subsection 1 or 2 a reasonable right to visit the child during his  
41 minority only if the court finds that the party seeking visitation has  
42 rebutted the presumption established in subsection 4.

\* S B 2 0 4 \*

1       6. In determining whether the party seeking visitation has  
2 rebutted the presumption established in subsection 4, the court shall  
3 consider:

4           (a) The love, affection and other emotional ties existing between  
5 the party seeking visitation and the child.

6           (b) The capacity and disposition of the party seeking visitation  
7 to:

8              (1) Give the child love, affection and guidance and serve as a  
9 role model to the child;

10             (2) Cooperate in providing the child with food, clothing and  
11 other material needs during visitation; and

12             (3) Cooperate in providing the child with health care or  
13 alternative care recognized and permitted under the laws of this  
14 State in lieu of health care.

15             (c) The prior relationship between the child and the party  
16 seeking visitation, including, without limitation, whether the child  
17 resided with the party seeking visitation and whether the child was  
18 included in holidays and family gatherings with the party seeking  
19 visitation.

20             (d) The moral fitness of the party seeking visitation.

21             (e) The mental and physical health of the party seeking  
22 visitation.

23             (f) The reasonable preference of the child, if the child has a  
24 preference, and if the child is determined to be of sufficient maturity  
25 to express a preference.

26             (g) The willingness and ability of the party seeking visitation to  
27 facilitate and encourage a close and continuing relationship between  
28 the child and the parent or parents of the child as well as with other  
29 relatives of the child.

30             (h) The medical and other needs of the child related to health as  
31 affected by the visitation.

32             (i) The support provided by the party seeking visitation,  
33 including, without limitation, whether the party has contributed to  
34 the financial support of the child.

35             (j) Any other factor arising solely from the facts and  
36 circumstances of the particular dispute that specifically pertains to  
37 the need for granting a right to visitation pursuant to subsection 1 or  
38 2 against the wishes of a parent of the child.

39       7. If the parental rights of either or both natural parents of a  
40 child are relinquished or terminated, and the child is placed in the  
41 custody of a public agency or a private agency licensed to place  
42 children in homes, the district court in the county in which the child  
43 resides may grant to the great-grandparents and grandparents of the  
44 child and to other children of either parent of the child a reasonable  
45 right to visit the child during his minority if a petition therefor is

\* S B 2 0 4 \*

1 filed with the court before the date on which the parental rights are  
2 relinquished or terminated. In determining whether to grant this  
3 right to a party seeking visitation, the court must find, by a  
4 preponderance of the evidence, that the visits would be in the best  
5 interests of the child in light of the considerations set forth in  
6 paragraphs (a) to (i), inclusive, of subsection 6.

7       8. Rights to visit a child may be granted:

- 8       (a) In a divorce decree;  
9       (b) In an order of separate maintenance; or  
10      (c) Upon a petition filed by an eligible person:

11           (1) *If the petition is based on the provisions of paragraph*  
12 *(a), (b), (c) or (d) of subsection 1, after a parent of the child has*  
13 *denied or unreasonably restricted visits with the child and:*

14           (I) After a divorce or separation or after the death of a  
15 parent, or upon the relinquishment or termination of a parental right;

16           ~~(2)~~ or

17           (II) If the parents of the child were not legally married  
18 and were cohabitating, after the death of a parent or after the  
19 separation of the parents of the child; ~~for~~

20           ~~(3)~~ (2) *If the petition is based on the provisions of*  
21 *paragraph (e) of subsection 1, after a parent of the child has*  
22 *denied visits with the child; or*

23           (3) If the petition is based on the provisions of subsection 2,  
24 *after a parent of the child has denied or unreasonably restricted*  
25 *visits with the child and* after the eligible person ceases to reside  
26 with the child.

27       9. If a court terminates the parental rights of a parent who is  
28 divorced or separated, any rights previously granted pursuant to  
29 subsection 1 also must be terminated, unless the court finds, by a  
30 preponderance of the evidence, that visits by those persons would be  
31 in the best interests of the child.

32       10. For the purposes of this section, "separation" means:

33       (a) A legal separation or any other separation of a married  
34 couple if the couple has lived separate and apart for 30 days or more  
35 and has no present intention of resuming a marital relationship; or

36       (b) If a couple was not legally married but cohabitating, a  
37 separation of the couple if the couple has lived separate and apart  
38 for 30 days or more and has no present intention of resuming  
39 cohabitation or entering into a marital relationship.

40       **Sec. 2.** The amendatory provisions of this act apply to a  
41 petition for visitation that is filed on or after October 1, 2007.
