

CHAPTER.....

AN ACT relating to dead human bodies; clarifying that the Nevada State Funeral Board may take disciplinary action for certain violations relating to dead human bodies; and providing other matters properly relating thereto.

**Legislative Counsel’s Digest:**

Existing law allows the Nevada State Funeral Board to take certain disciplinary action for “unprofessional conduct.” (NRS 642.470, 642.480) “Unprofessional conduct” includes, without limitation, conduct related to the handling, custody, care or transportation of dead human bodies. (NRS 642.480) This bill clarifies that such unprofessional conduct includes a violation of NRS 451.400. NRS 451.400 describes various reporting and delivery requirements concerning any dead human body which is unclaimed or which is required to be buried at public expense.

1. Misrepresentation or fraud in the operation of a funeral establishment or the practice of a funeral director or person licensed to conduct direct cremations or immediate burials.
2. Solicitation of dead human bodies by the licensee or his agents, assistants or employees, whether the solicitation occurs after death or while death is impending, but this does not prohibit general advertising.

4. Employment, directly or indirectly, of any apprentice, agent, assistant, embalmer, employee or other person, on part- or full-time or on commission, to call upon natural persons or institutions by whose influence dead human bodies may be turned over to a particular funeral director or embalmer.
5. The buying of business by a holder of a permit to operate a funeral establishment or a licensee or his agents, assistants or employees, or the direct or indirect payment or offer of payment of a commission by the holder of a permit or a licensee or his agents, assistants or employees, to secure business.
