AN ACT relating to sex offenders; revising the provisions
concerning certain sex offenders who are on lifetime
supervision or released on parole, probation or a
suspended sentence; increasing the minimum sentence for
certain sexual offenses committed against a child;
revising the penalty for a violation of a condition imposed
pursuant to the program of lifetime supervision of sex
offenders; providing penalties; and providing other
matters properly relating thereto.

Legislative Counsel's Digest:

Existing law sets forth certain conditions to be imposed on sex offenders placed
under a program of lifetime supervision or released on parole, probation or a
suspended sentence. (NRS 176A.410, 213.1243, 213.1245, 213.1255) **Sections 4, 6
and 7** of this bill prohibit such sex offenders who have been assigned a Tier 3 level
of notification from going near certain locations frequented primarily by children.
Sections 4, 6 and 8 of this bill prohibit such sex offenders convicted of a sexual
offense against a child under the age of 14 years and assigned a Tier 3 level of
notification from establishing residences within 1,000 feet of certain locations
frequented primarily by children. **Sections 4, 6 and 8** also require such sex
offenders to be placed under a system of active electronic monitoring under certain
circumstances and to pay any costs associated with their participation under the
system of active electronic monitoring, to the extent of their ability to pay. **Sections
4, 6 and 8** further prohibit persons from removing or disabling an electronic
monitoring device without authorization.

* S B 2 3 2 R 1 *

Under existing law, a sex offender who commits a violation of a condition of his lifetime supervision is guilty of a misdemeanor for a minor violation or a category B felony for a major violation. (NRS 213.1243) **Section 6** of this bill eliminates the classification of violations and makes all such violations punishable as a category B felony. **Section 6** also requires a court that issues an arrest warrant for a violation of a condition imposed pursuant to the program of lifetime supervision to transmit notice of the issuance of the warrant to the Central Repository for Nevada Records of Criminal History within 3 business days.

Existing law establishes the imposition of minimum sentences for certain sexual offenses committed against a child. (NRS 200.366) **Section 5** of this bill increases the minimum number of years that must be served before a person is eligible for parole for committing a sexual assault against a child under the age of 16 years that does not result in substantial bodily harm to the child from 20 to 25 years. **Section 5** also increases the minimum number of years that must be served before a person is eligible for parole for committing a sexual assault against a child under the age of 14 years that does not result in substantial bodily harm to the child from 20 to 35 years.
