EXPLANATION – Matter in *bolded italics* is new; matter between brackets ~~omitted material~~ is material to be omitted.

AN ACT relating to contractors; revising certain duties and powers of the State Contractors' Board; providing express authority for the Board to collect and maintain data and to conduct investigations; revising the procedures for applying for the issuance or renewal of a contractor's license; revising the term of a contractor's license from 1 year to 2 years in certain circumstances; revising certain fees and assessments to reflect such change in the term of a contractor's license; authorizing the Board to take certain actions against an unlicensed person who violates a provision governing contractors; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides that chapter 624 of NRS, which governs contractors, does not apply, under certain circumstances, to an owner of a complex containing less than five condominiums, townhouses, apartments or cooperative units, the managing officer of the owner or an employee of the managing officer who performs certain maintenance and repairs to the property which are valued at less than \$500. (NRS 624.031) **Section 1** of this bill expands this exemption to include any maintenance and repairs which are valued at less than \$1,000.

Existing law requires the State Contractors' Board to establish an Investigations Office that includes a **Special Investigations Unit** and a **Compliance Investigations Unit**. (NRS 624.112) **Section 2** of this bill eliminates the requirement to include those two specific units within the Investigations Office.

Existing law authorizes the Board to require criminal investigators who are employed by the Board to locate and identify certain persons who violate a

provision of chapter 624 of NRS or any regulations adopted by the Board. (NRS 624.115) **Section 3** of this bill authorizes the Board also to require compliance investigators who are employed by the Board to locate and identify such persons.

Existing law authorizes the Board to undertake all functions and duties related to the administration of chapter 624 of NRS. (NRS 624.160) **Section 4** of this bill provides express authority for the Board to collect and maintain data regarding investigations and complaints on contractors and to conduct investigations of contractors.

Existing law requires an applicant for the issuance or renewal of a contractor's license to submit a written application to the Board that includes, without limitation, the names and addresses of any owners, partners, officers, directors, members and managerial personnel of the applicant. (NRS 624.250) **Section 5** of this bill revises this requirement for applicants that are corporations or limited-liability companies. **Section 5** also requires the Board to require an applicant to pay the license fee and any applicable assessments before the Board issues a license to the applicant.

Existing law requires an applicant for the issuance or renewal of a contractor's license to submit to the Board proof of industrial insurance and insurance for occupational diseases, proof of self-insurance or a signed affidavit affirming that the applicant is not subject to the statutes governing industrial insurance and occupational insurance because of certain specified circumstances. (NRS 624.256) **Section 6** of this bill provides that failure of such an applicant or licensee to file or maintain such insurance constitutes cause for the Board to take certain administrative actions against the person unless the person provides to the Board the affidavit discussed above.

Existing law requires an applicant for a contractor's license or a licensee to show such a degree of financial responsibility as the Board deems necessary for the safety and protection of the public. (NRS 624.260) Existing law also requires that the financial responsibility be determined by using certain standards and criteria set forth in statute. (NRS 624.263) **Section 7** of this bill expands those standards and criteria and authorizes, rather than requires, these standards and criteria to be used in determining the financial responsibility of an applicant or licensee.

Section 9 of this bill revises the existing fee for a contractor's license from \$450 annually to \$900 biennially. (NRS 624.283)

Section 10 of this bill revises the existing term of a contractor's license from 1 year to 2 years and authorizes the Board to establish a system of staggered biennial renewals. **Section 20** of this bill provides that the provisions of **section 10** do not apply to an existing contractor's license until the first renewal date for the license that occurs after the effective date of this bill.

Existing law authorizes the Board or its designee to issue administrative citations and to take action against an applicant for a contractor's license or a licensee who commits an act which constitutes cause for disciplinary action. (NRS 624.341) **Section 12** of this bill authorizes the Board or its designee to issue such citations and to take such action against any person who violates a provision of chapter 624 of NRS or any regulations adopted by the Board. **Section 12** also specifies that any administrative fine ordered in the citation must not exceed \$50,000 under certain circumstances. Further, **section 12** provides that it is a misdemeanor for an unlicensed person to fail to comply with such a citation or order issued by the Board pursuant to NRS 624.341. **Sections 13, 14 and 15** of this bill similarly amend existing law to reflect the expanded scope of the administrative citations and actions. (NRS 624.345, 624.351, 624.361)

Section 16 of this bill revises the existing assessments which are required to be paid by each residential contractor on an annual basis by doubling the amounts of the assessments and requiring such assessments to be paid per biennium. (NRS 624.470)

Existing law authorizes the Board to impose an administrative fine upon an unlicensed person who engages in business as a contractor or submits a bid on a job in this State. (NRS 624.710) **Section 17** of this bill further authorizes the Board to impose an administrative fine on a person who violates certain provisions governing advertising concerning contractors or certain provisions governing the ability of licensees to participate in joint ventures or other combinations. (NRS 624.720, 624.740)

(1) License as a specialty contractor pursuant to the provisions of chapter 624 of NRS; and

(2) Certificate of eligibility to receive a preference in bidding on public works.

5. For the purposes of complying with the requirements set forth in paragraph (a) of subsection 3 and paragraph (a) of subsection 4, a contractor shall be deemed to have paid:

6. A contractor who has received a certificate of eligibility to receive a preference in bidding on public works from the State Contractors' Board pursuant to subsection 3 or 4 shall, at the time for the ~~annual~~ renewal of his contractor's license pursuant to NRS 624.283, submit to the Board an affidavit from a certified public accountant setting forth that the contractor has, during the immediately preceding 12 months, paid the taxes required pursuant to paragraph (a) of subsection 3 or paragraph (a) of subsection 4, as applicable, to maintain his eligibility to hold such a certificate.

8. If a contractor holds more than one contractor's license, he must submit a separate application for each license pursuant to which he wishes to qualify for a preference in bidding. Upon issuance, the certificate of eligibility to receive a preference in bidding on public works becomes part of the contractor's license for which the contractor submitted the application.

9. If a contractor who applies to the State Contractors' Board for a certificate of eligibility to receive a preference in bidding on public works submits false information to the Board regarding the required payment of taxes, the contractor is not eligible to receive a preference in bidding on public works for a period of 5 years after the date on which the Board becomes aware of the submission of the false information.

10. If any federal statute or regulation precludes the granting of federal assistance or reduces the amount of that assistance for a particular public work because of the provisions of subsection 2, those provisions do not apply insofar as their application would preclude or reduce federal assistance for that work.

11. If a bid is submitted by two or more contractors as a joint venture or by one of them as a joint venturer, the bid may be deemed the best bid only if both or all of the joint venturers separately meet the requirements of subsection 2.

12. The State Contractors' Board shall adopt regulations and may assess reasonable fees relating to the certification of contractors for a preference in bidding on public works.

13. A person or entity who believes that a contractor wrongfully holds a certificate of eligibility to receive a preference in bidding on public works may challenge the validity of the certificate by filing a written objection with the public body to which the

2 public work. A written objection authorized pursuant to this
3 subsection must:

4 (a) Set forth proof or substantiating evidence to support the
5 belief of the person or entity that the contractor wrongfully holds a
6 certificate of eligibility to receive a preference in bidding on public
7 works; and

8 (b) Be filed with the public body not later than 3 business days
9 after the opening of the bids by the public body or its authorized
10 representative.

11 14. If a public body receives a written objection pursuant to
12 subsection 13, the public body shall determine whether the objection
13 is accompanied by the proof or substantiating evidence required
14 pursuant to paragraph (a) of that subsection. If the public body
15 determines that the objection is not accompanied by the required
16 proof or substantiating evidence, the public body shall dismiss the
17 objection and the public body or its authorized representative may
18 proceed immediately to award the contract. If the public body
19 determines that the objection is accompanied by the required proof
20 or substantiating evidence, the public body shall determine whether
21 the contractor qualifies for the certificate pursuant to the provisions
22 of this section and the public body or its authorized representative
23 may proceed to award the contract accordingly.

24 **Sec. 19.** NRS 338.147 is hereby amended to read as follows:

25 338.147 1. Except as otherwise provided in subsection 10
26 and NRS 338.143, 338.1442 and 338.1446, a local government or

33 (1) Has been found to be a responsible and responsive
34 contractor by the local government or its authorized representative;
35 and

36 (2) At the time he submits his bid, has a valid certificate of
37 eligibility to receive a preference in bidding on public works issued
38 to the contractor by the State Contractors' Board pursuant to
39 subsection 3 or 4; and

40 (b) Not more than 5 percent higher than the bid submitted by the
41 lowest responsive and responsible bidder who does not have, at the
42 time he submits the bid, a valid certificate of eligibility to receive a
43 preference in bidding on public works issued to him by the State
44 Contractors' Board pursuant to subsection 3 or 4,

45 ↪ shall be deemed to be the best bid for the purposes of this section.

* S B 2 7 9 R 2 *

3. The State Contractors' Board shall issue a certificate of eligibility to receive a preference in bidding on public works to a general contractor who is licensed pursuant to the provisions of chapter 624 of NRS and submits to the Board an affidavit from a certified public accountant setting forth that the general contractor has, while licensed as a general contractor in this State:

(a) Paid directly, on his own behalf:

(1) The sales and use taxes imposed pursuant to chapters 372, 374 and 377 of NRS on materials used for construction in this State, including, without limitation, construction that is undertaken or carried out on land within the boundaries of this State that is managed by the Federal Government or is on an Indian reservation or Indian colony, of not less than \$5,000 for each consecutive 12-month period for 60 months immediately preceding the submission of the affidavit from the certified public accountant;

(2) The governmental services tax imposed pursuant to chapter 371 of NRS on the vehicles used in the operation of his business in this State of not less than \$5,000 for each consecutive 12-month period for 60 months immediately preceding the submission of the affidavit from the certified public accountant; or

(3) Any combination of such sales and use taxes and governmental services tax; or

(b) Acquired, by purchase, inheritance, gift or transfer through a stock option plan, all the assets and liabilities of a viable, operating construction firm that possesses a:

(1) License as a general contractor pursuant to the provisions of chapter 624 of NRS; and

(2) Certificate of eligibility to receive a preference in bidding on public works.

4. The State Contractors' Board shall issue a certificate of eligibility to receive a preference in bidding on public works to a specialty contractor who is licensed pursuant to the provisions of chapter 624 of NRS and submits to the Board an affidavit from a certified public accountant setting forth that the specialty contractor has, while licensed as a specialty contractor in this State:

(a) Paid directly, on his own behalf:

(1) The sales and use taxes pursuant to chapters 372, 374 and 377 of NRS on materials used for construction in this State, including, without limitation, construction that is undertaken or carried out on land within the boundaries of this State that is managed by the Federal Government or is on an Indian reservation or Indian colony, of not less than \$5,000 for each consecutive 12-month period for 60 months immediately preceding the submission of the affidavit from the certified public accountant;

* S B 2 7 9 R 2 *

(2) The governmental services tax imposed pursuant to chapter 371 of NRS on the vehicles used in the operation of his business in this State of not less than \$5,000 for each consecutive 12-month period for 60 months immediately preceding the submission of the affidavit from the certified public accountant; or

(3) Any combination of such sales and use taxes and governmental services tax; or

(b) Acquired, by purchase, inheritance, gift or transfer through a stock option plan, all the assets and liabilities of a viable, operating construction firm that possesses a:

(1) License as a specialty contractor pursuant to the provisions of chapter 624 of NRS; and

(2) Certificate of eligibility to receive a preference in bidding on public works.

5. For the purposes of complying with the requirements set forth in paragraph (a) of subsection 3 and paragraph (a) of subsection 4, a contractor shall be deemed to have paid:

(a) Sales and use taxes and governmental services taxes paid in this State by an affiliate or parent company of the contractor, if the affiliate or parent company is also a general contractor or specialty contractor, as applicable; and

(b) Sales and use taxes paid in this State by a joint venture in which the contractor is a participant, in proportion to the amount of interest the contractor has in the joint venture.

6. A contractor who has received a certificate of eligibility to receive a preference in bidding on public works from the State Contractors' Board pursuant to subsection 3 or 4 shall, at the time for the ~~annual~~ renewal of his contractor's license pursuant to NRS 624.283, submit to the Board an affidavit from a certified public accountant setting forth that the contractor has, during the immediately preceding 12 months, paid the taxes required pursuant to paragraph (a) of subsection 3 or paragraph (a) of subsection 4, as applicable, to maintain his eligibility to hold such a certificate.

7. A contractor who fails to submit an affidavit to the Board pursuant to subsection 6 ceases to be eligible to receive a preference in bidding on public works unless he reapplies for and receives a certificate of eligibility pursuant to subsection 3 or 4, as applicable.

8. If a contractor holds more than one contractor's license, he must submit a separate application for each license pursuant to which he wishes to qualify for a preference in bidding. 9. If a contractor who applies to the State Contractors' Board for a certificate of eligibility to receive a preference in bidding on

* S B 2 7 9 R 2 *

1 public works submits false information to the Board regarding the
2 required payment of taxes, the contractor is not eligible to receive a
3 preference in bidding on public works for a period of 5 years after
4 the date on which the Board becomes aware of the submission of the
5 false information.

6 10. If any federal statute or regulation precludes the granting of
7 federal assistance or reduces the amount of that assistance for a
8 particular public work because of the provisions of subsection 2,
9 those provisions do not apply insofar as their application would
10 preclude or reduce federal assistance for that work.

11 11. If a bid is submitted by two or more contractors as a joint
12 venture or by one of them as a joint venturer, the bid may be
13 deemed a best bid only if both or all of the joint venturers separately
14 meet the requirements of subsection 2.

15 12. The State Contractors' Board shall adopt regulations and
16 may assess reasonable fees relating to the certification of contractors
17 for a preference in bidding on public works.

18 13. A person or entity who believes that a contractor
19 wrongfully holds a certificate of eligibility to receive a preference in
20 bidding on public works may challenge the validity of the certificate
21 by filing a written objection with the local government to which the
22 contractor has submitted a bid on a contract for the construction of a
23 public work. A written objection authorized pursuant to this
24 subsection must:

25 (a) Set forth proof or substantiating evidence to support the
26 belief of the person or entity that the contractor wrongfully holds a
27 certificate of eligibility to receive a preference in bidding on public
28 works; and

29 (b) Be filed with the local government not later than 3 business
30 days after the opening of the bids by the local government or its
31 authorized representative.

32 14. If a local government receives a written objection pursuant
33 to subsection 13, the local government shall determine whether the
34 objection is accompanied by the proof or substantiating evidence
35 required pursuant to paragraph (a) of that subsection. If the local
36 government determines that the objection is not accompanied by the
37 required proof or substantiating evidence, the local government shall
38 dismiss the objection and the local government or its authorized
39 representative may proceed immediately to award the contract. If
40 the local government determines that the objection is accompanied
41 by the required proof or substantiating evidence, the local
42 government shall determine whether the contractor qualifies for the
43 certificate pursuant to the provisions of this section and the local
44 government or its authorized representative may proceed to award
45 the contract accordingly.

1 **Sec. 20.** The amendatory provisions of section 10 of this act
2 do not apply to a license issued pursuant to chapter 624 of NRS
3 before the effective date of this act until the first renewal date for the
4 license after the effective date of this act.

5 **Sec. 21.** This act becomes effective upon passage and
6 approval.
