EXPLANATION – Matter in ***bolded italics*** is new; matter between brackets [~~omitted material~~] is material to be omitted.

AN ACT relating to public improvements; changing the date by which certain metropolitan police departments must annually submit a budget to the board of county commissioners for the operation of a system to provide a telephone number for use in an emergency; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

1 Existing law provides for the establishment of a 911 emergency telephone
2 system by a board of county commissioners. (NRS 244A.765-244A.777) A board
3 of county commissioners may delegate the operation of a 911 system to a
4 metropolitan police department if such a department has been established in the
5 county. (NRS 244A.767, 244A.768) This bill changes the date by which a
6 metropolitan police department that has been delegated the operation of a 911
7 system must annually submit a budget for the operation of the system for the next
8 fiscal year to the board of county commissioners from April 1 to May 1. (NRS
9 244A.775) This revised deadline corresponds with the annual deadline for the
10 submission of operating budgets by metropolitan police departments.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 **Section 1.** NRS 244A.775 is hereby amended to read as
2 follows:

3 244A.775 1. The board shall determine annually the amount
4 of money necessary to pay the costs of acquiring, operating and
5 maintaining the system and shall fix a rate, not greater than one-half
6 cent per \$100 of assessed valuation unless a different rate is
7 established pursuant to subsection 3, which, when levied upon every
8 dollar of assessed valuation of taxable property in the district , will
9 raise that amount.

10 2. If the operation of the system has been delegated to the
11 metropolitan police department, it shall submit to the board before
12 ~~April~~ May 1 of each year a budget for the operation of the system
13 for the following fiscal year. The board shall consider the budget of
14 the department in making its determination of the amount of money
15 necessary to be raised by taxation.

16 3. The maximum rate provided by subsection 1 for the levy of
17 the tax may be increased if the board so proposes to the registered
18 voters of the district, specifying the proposed rate, and the proposal
19 is approved by a majority of the voters voting on the question at a
20 primary or general election or a special election called for that
21 purpose.

22 4. A special election may be held only if the board determines,
23 by a unanimous vote, that an emergency exists. The determination
24 made by the board is conclusive unless it is shown that the board
25 acted with fraud or a gross abuse of discretion. An action to
26 challenge the determination made by the board must be commenced
27 within 15 days after the board's determination is final. As used in
28 this subsection, "emergency" means any unexpected occurrence or
29 combination of occurrences which requires immediate action by the
30 board to prevent or mitigate a substantial financial loss to the district
31 or county or to enable the board to provide an essential service to
32 the residents of the county.

33 5. The board shall levy and collect the tax upon the assessed
34 valuation of all taxable property in the district, in the same manner,
35 at the same time and in addition to other taxes levied by the board.

36 **Sec. 2.** This act becomes effective upon passage and approval.
