AN ACT relating to economic development; providing that certain fees relating to the operation of motor vehicles do not apply to certain motion picture companies; providing an abatement from certain sales and use taxes for certain motion picture companies; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires a motion picture company to register with the Division of Motion Pictures of the Commission on Economic Development before engaging in the production of a motion picture in this State and exempts entities that produce motion pictures from the requirement to obtain a state business license and various requirements applicable to foreign corporations, foreign limited-liability companies and foreign limited partnerships. (NRS 80.015, 86.5483, 88.602, 231.128, 360.765) **Sections 2, 3 and 5-9** of this bill revise the description of those entities to which these existing laws apply.

Existing law requires a person who uses certain special fuels for the propulsion of motor vehicles in this State to obtain a license or temporary permit, and provides for the collection of fees for that purpose. (NRS 366.220, 366.223) **Sections 4, 10 and 11** of this bill exempt certain registered motion picture companies who agree to employ Nevada residents from the payment of those fees.

Existing law creates the Local School Support Tax Law. (Chapter 374 of NRS) Any amendment to the Local School Support Tax Law is also applicable to other sales and use taxes imposed under existing law. (NRS 354.705, 374A.020, 376A.060, 377.040, 377A.030, 377B.110 and 543.600, and various special and local acts) **Sections 4 and 12** of this bill provide for an abatement of these taxes for certain registered motion picture companies who agree to employ Nevada residents.

Existing law authorizes the Board of Directors of the Department of Transportation to allow the movement of oversize or overweight vehicles on the public highways of this State pursuant to permits issued by the Department, and to establish reasonable fees for those permits. (NRS 484.743) Existing law requires

the imposition of an additional fee for the issuance of a continuous permit for the movement of such a vehicle to cover the expenses of conducting an initial investigation of the highways involved. (NRS 484.765) Sections 4, 13 and 14 of this bill exempt certain registered motion picture companies who agree to employ Nevada residents from the payment of those fees.
