EXPLANATION – Matter in *bolded italics* is new; matter between brackets ~~omitted material~~ is material to be omitted.

AN ACT relating to taxation; revising provisions governing agreements to locate, deliver, recover or assist in the recovery of certain property held in trust by a county treasurer; providing immunity for a county for any losses resulting from the approval of certain claims concerning unclaimed property; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

1 Existing law establishes the procedure for the disposition of property for which
2 delinquent taxes have not been paid. (NRS 361.5648-361.620) If the delinquent
3 taxes have not been paid within 2 years, the tax receiver is required to execute and
4 deliver a deed of the property in trust to the county treasurer of the county where
5 the property is located. Existing law requires the county treasurer to reconvey the
6 property to certain persons who have an interest in the property upon the timely
7 payment of the taxes owed, including any costs, penalties and interest assessed
8 against the property. Existing law authorizes certain persons who have an interest in
9 the property to enter into an agreement to locate, deliver, recover or assist in the
10 recovery of property held in trust by the county treasurer. Existing law limits the
11 amount of the fee for such an agreement to not more than 10 percent of the total
12 value of the property. (NRS 361.585)

13 **Section 1** of this bill requires that a person who enters into an agreement
14 pursuant to NRS 361.585 to locate, deliver, recover or assist in the recovery of
15 property of another person held in trust by the county treasurer must be licensed as
16 a private investigator in this State. **Section 2** of this bill eliminates the requirement
17 that the property which is the subject of the agreement be described in the
18 agreement and the limitation on the amount of the fee that may be imposed for such
19 an agreement. **Section 3** of this bill establishes a procedure to recover any excess
20 proceeds from the sale of real property by a county treasurer. **Section 3** also
21 provides that certain persons who are entitled to recover property from the county
22 treasurer may authorize a person pursuant to a power of attorney, assignment or

23 other legal instrument to file a claim and collect from the county treasurer any
24 money owed to him. **Section 3** also provides immunity for a county for any losses
25 resulting from the approval of such a claim if the claim is paid by the county
26 treasurer in accordance with the provisions of the legal instrument.
