

Senate Bill No. 384—Senators Cegavske, Beers, Raggio, Titus, Heck, Amodei, Care, Coffin, Hardy, Horsford, Lee, Mathews, McGinness, Nolan, Rhoads, Schneider, Townsend, Washington, Wiener and Woodhouse

## CHAPTER.....

AN ACT relating to employment; clarifying that certain relationships between persons with disabilities and training or rehabilitation centers do not constitute employment for the purposes of provisions governing the minimum wage; and providing other matters properly relating thereto.

### **Legislative Counsel's Digest:**

Existing law governs the minimum wage that must be paid to an employee. (Chapter 608 of NRS; Nev. Const. Art. 15, § 16) This bill clarifies that certain relationships do not constitute “employment” and are therefore not subject to these provisions. The relationships are: (1) the relationship between a rehabilitation facility or workshop and a handicapped individual participating in a training or rehabilitative program pursuant to chapter 615 of NRS; and (2) the relationship between a community-based training center that has been issued a certificate of qualification pursuant to NRS 435.130 to 435.320, inclusive, and an enrollee participating in a training or rehabilitative program of the center. These relationships constitute training or rehabilitation of persons with certain disabilities, not employment.
