AN ACT relating to public mass transportation; enacting provisions to facilitate the construction, installation and maintenance of benches, shelters and transit stops for passengers of public mass transportation in certain counties; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

1 Under existing law, the regional transportation commission in a county whose
2 population is 400,000 or more (currently Clark County) has the authority to provide
3 for the construction and maintenance of benches and shelters for passengers of
4 public mass transportation. (NRS 373.1183) This bill authorizes such a regional
5 transportation commission to provide for the construction, installation and
6 maintenance of transit stops in addition to benches and shelters. This bill also
7 authorizes the regional transportation commission to locate such benches, shelters
8 and transit stops within any public easement or right-of-way, including a public
9 easement or right-of-way dedicated or restricted for use by any utility, if: (1) the
10 public easement or right-of-way is adjacent or appurtenant to or within a reasonable
11 proximity of any public highway; and (2) the benches, shelters and transit stops
12 may be located safely within the public easement or right-of-way without damaging
13 the facilities of other persons who are authorized to place their facilities within the
14 public easement or right-of-way.

15 This bill also requires the regional transportation commission and the
16 governmental entity that owns or controls the public easement or right-of-way to
17 execute an interlocal or cooperative agreement that authorizes the construction,
18 installation, maintenance and use of the benches, shelters or transit stops within the
19 public easement or right-of-way.

20 Finally, if such benches, shelters or transit stops will be constructed or installed
21 within any public easement located within the common area or common elements
22 of a common-interest community governed by an association, the regional

23 transportation commission must: (1) provide the governing body of the association
24 with written notice of the intent to construct or install the benches, shelters or
25 transit stops within the public easement; and (2) coordinate, to the extent
26 practicable, with the governing body of the association to determine an appropriate
27 location for the benches, shelters or transit stops within the public easement.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

35 **Sec. 2.** NRS 373.1185 is hereby amended to read as follows:

36 373.1185 1. In a county whose population is 400,000 or
37 more, the commission shall establish an advisory committee to
38 provide information and advice to the commission concerning the
39 construction , *installation* and maintenance of benches , ~~and~~
40 shelters *and transit stops* for passengers of public mass
41 transportation in the county. The membership of the advisory
42 committee must consist of:

43 (a) Two members of the general public from each city within the
44 county who are appointed by the governing body of that city; and

- 1 (b) Six members of the general public appointed by the
2 commission.
- 3 2. Each member of the advisory committee serves a term of 1
4 year. A member may be reappointed for additional terms of 1 year
5 in the same manner as the original appointment.
- 6 3. A vacancy occurring in the membership of the advisory
7 committee must be filled in the same manner as the original
8 appointment.
- 9 4. The advisory committee shall meet at least six times
10 annually.
- 11 5. At its first meeting and annually thereafter, the advisory
12 committee shall elect a chairman and vice chairman from among its
13 members.
- 14 6. Each member of the advisory committee serves without
15 compensation and is not entitled to receive a per diem allowance or
16 travel expenses.
- 17 **Sec. 3.** This act becomes effective upon passage and approval.
