Legislative Counsel's Digest:

Existing law sets forth certain conditions to be imposed on sex offenders placed under a program of lifetime supervision or released on parole, probation or a suspended sentence. (NRS 176A.410, 213.1243, 213.1245, 213.1255) Under **sections 2, 8 and 10** of this bill, if an offender is: (1) convicted of certain crimes against a child under the age of 14 years; (2) a Tier 3 offender; and (3) placed under a program of lifetime supervision or released on parole, probation or a suspended sentence, the offender must not establish a residence within 1,000 feet of certain locations frequented primarily by children and must be placed under a system of active electronic monitoring if the Chief Parole and Probation Officer deems such monitoring appropriate. **Sections 2, 8 and 10** also require an offender placed under a system of active electronic monitoring to pay to the extent of his ability any costs associated with such monitoring and prohibit a person from removing or disabling an electronic monitoring device without authorization.

In addition, **sections 2, 8 and 9** of this bill prohibit certain sex offenders from being within 500 feet of certain locations frequented primarily by children. **Section 8** also requires a court that issues an arrest warrant for a violation of a condition imposed pursuant to the program of lifetime supervision to transmit notice of the issuance of the warrant to the Central Repository for Nevada Records of Criminal History within 3 business days.

Existing law requires a sex offender or an offender convicted of a crime against a child to register with a local law enforcement agency within 48 hours after arriving or establishing a residence in the jurisdiction of the local law enforcement agency. (NRS 179D.240, NRS 179D.460) **Section 3** of this bill requires an incarcerated offender convicted of a crime against a child to register, before being released from prison, with the appropriate local law enforcement agency in whose jurisdiction the offender will be a resident offender upon release. **Section 5** of this bill requires an incarcerated sex offender to register, before being released, with the appropriate law enforcement agency in whose jurisdiction the sex offender will be a resident sex offender upon release.

Existing law requires a court to order, at sentencing, that a biological specimen be obtained from a person convicted of certain crimes. (NRS 176.0913) **Section 4** of this bill requires an offender convicted of a crime against a child to provide a biological specimen at the time the offender registers with a local law enforcement agency if the offender has not already provided a biological specimen. **Section 6** of this bill requires a sex offender to provide a biological specimen at the time the sex offender registers with a local law enforcement agency if the sex offender has not already provided a biological specimen.

Existing law establishes the imposition of minimum sentences for certain sexual offenses committed against a child. (NRS 200.366) **Section 7** of this bill increases the minimum number of years that must be served before a person is eligible for parole for committing a sexual assault against a child under the age of 16 years that does not result in substantial bodily harm to the child from 20 to 25 years. **Section 7** also increases the minimum number of years that must be served before a person is eligible for parole for committing a sexual assault against a child under the age of 14 years that does not result in substantial bodily harm to the child from 20 to 35 years.

Section 10.5 of this bill clarifies the procedure concerning meetings to consider prisoners for parole by specifying that such meetings are quasi-judicial and limited to the rights set forth in statute. In addition, **section 10.5** requires the State Board of Parole Commissioners to provide reasonable notice of a meeting and an opportunity to be present at the meeting to a prisoner who will be considered for parole. Parole may not be denied at a meeting unless the Board has complied with those requirements. **Section 10.5** further provides that a prisoner or his representative must be allowed to speak during a meeting to consider the prisoner for parole and

* S B 4 7 1 R 3 *

requires the Board to provide written notice of its decision and any recommendations it may have to the prisoner not later than 10 working days after the meeting. (NRS 213.130)

Sections 11 and 12 of this bill reconcile the provisions of Assembly Bill No. 579 of this session with the provisions of this bill.

Sections 13 and 14 of this bill make appropriations to the State Motor Pool and the Division of Parole and Probation of the Department of Public Safety.
