

Senate Bill No. 495–Committee on Legislative
Operations and Elections

CHAPTER.....

AN ACT relating to ethics in government; revising provisions concerning the filing of disclosures of certain representation; authorizing the imposition of a penalty against a public officer or employee who realizes financial benefit from an ethics violation; revising the penalty for the acceptance or receipt of an honorarium; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

The Nevada Ethics in Government Law sets forth standards for the conduct of public officers and employees, which standards are interpreted and enforced by the Commission on Ethics. (NRS 281.411-281.581) **Section 18** of this bill requires the Legislative Counsel to move those provisions of NRS to a new chapter of NRS to be numbered 281A which will include the provisions currently codified as NRS 281.411 to 281.581, inclusive.

Section 10 of this bill moves the deadline for the annual filing of a disclosure of representation before certain agencies by certain public officers and employees from January 10 to January 15, which is consistent with the deadlines by which statements of financial disclosure are required to be filed. (NRS 281.491, 281.559, 281.561)

Under existing law, if a violation of the ethics provisions by a current or former public officer or employee results in the realization by another person of a financial benefit, the Commission is authorized to impose an additional civil penalty against the officer or employee. (NRS 281.551) **Section 14** of this bill authorizes the imposition of such an additional penalty if the public officer or employee that committed the violation realizes any financial benefit.

Under existing law, a public officer or employee who accepts or receives an honorarium is guilty of a gross misdemeanor. (NRS 281.553) **Section 16** of this bill removes the criminal penalty and makes the punishment for such a violation a civil penalty, which is the same penalty as for violations of the other ethics provisions.
