EXPLANATION – Matter in *bolded italics* is new; matter between brackets [omitted material] is material to be omitted.

AN ACT relating to Medicaid; revising certain provisions concerning the recovery from recipients or third parties of certain costs for Medicaid paid by the Department of Health and Human Services; revising certain provisions concerning liability for the submission of a false claim to the State or a local government; and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

Existing law provides that the Department of Health and Human Services is subrogated to the right of a recipient of Medicaid when the recipient incurs costs for medical services which are payable by the Department under circumstances which create legal liability for such costs in a third party. (NRS 422.293) **Sections 2-9** of this bill revise certain provisions concerning the recovery of such costs by the Department and impose liability for such costs on certain persons who do not comply with the procedures established to protect the right of the Department to recover benefits paid by Medicaid.

The Federal Deficit Reduction Act of 2005, Public Law 109-171, enacted certain provisions concerning state plans for Medicaid. Section 6031 of the Federal Deficit Reduction Act provides financial incentives for states that enact laws establishing liability for false or fraudulent claims made to the State Plan for Medicaid. To be eligible for these financial incentives, the laws of a state must contain provisions that are at least as effective at rewarding and facilitating qui tam actions for false or fraudulent claims as those described in the Federal False Claims Act, 31 U.S.C. §§ 3730-3732. **Sections 18-22** of this bill amend existing law concerning the filing of false or fraudulent claims to comply with the provisions of

\* S B 5 2 9 \*

section 6031 of the Federal Deficit Reduction Act. (NRS 357.040, 357.070, 357.080, 357.110, 357.170)

**Sections 26-31** of this bill amend existing law to comply with the requirements of section 6035 of the Federal Deficit Reduction Act concerning certain providers of health insurance. **Sections 26-31** require providers of health insurance to provide certain information concerning a person who is eligible for assistance under Medicaid to the State upon request. **Sections 26-31** also require providers of health insurance to respond to inquiries by the State concerning a claim for payment for medical assistance not later than 3 years after the date of provision of the medical services. **Sections 26-31** require providers of health insurance to agree not to deny a claim submitted by the State solely on the basis of the date of submission of the claim or the form of documentation submitted if the State submits the claim not later than 3 years after the date of the provision of medical assistance and the State commences any action to enforce its rights with respect to the claim not later than 6 years after submission of the claim. (NRS 689A.430, 689B.300, 695A.151, 695B.340, 695C.163, 695F.440)
