EXPLANATION – Matter in **bolded italics** is new; matter between brackets [omitted-material] is material to be omitted.

AN ACT relating to elections; providing a procedure for a petition proposing a statute, an amendment to statute or an amendment to the Constitution to be placed on a ballot; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires that an initiative petition be signed by at least 10 percent of the voters who voted at the last preceding general election in at least 75 percent of the counties in the State. (Nev. Const. Art. 19, § 2) The United States District Court for the District of Nevada declared that the above portion of Section 2 of Article 19 of the Nevada Constitution concerning 75 percent of the counties in the State violates the Equal Protection Clause of the United States Constitution because it applies the same formula to counties of varying population. Such application results in the signatures of voters from small, rural counties carrying more weight than the signatures of voters from larger counties. (*Committee to Regulate and Control Marijuana v. Heller*, No. CV-S-04-01035 (D. Nev. Aug. 20, 2004)) The United States Court of Appeals for the Ninth Circuit affirmed the decision of the United States District Court. (*American Civil Liberties Union of Nevada v. Lomax*, 471 F.3d 1010 (9th Cir. Nev. 2006))

Section 8 of this bill requires a petition for initiative that proposes a statute, an amendment to statute or an amendment to the Constitution of this State to be signed by a number of registered voters from each county in the State determined by applying a flexible formula which is based on the percentage of population of each county in the State so that each signature carries relatively equal weight. **Section 1** of this bill requires the Secretary of State to determine the number of signatures required to be gathered from each county for a petition for initiative proposing a statute, an amendment to statute or an amendment to the Constitution as soon as practicable after each statewide general election. **Section 6** of this bill amends the

23 procedure for the verification of signatures on a petition for initiative proposing a
24 statute, an amendment to statute or an amendment to the Constitution.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

30 **Sec. 5.** (Deleted by amendment.)

31 **Sec. 6.** NRS 293.1279 is hereby amended to read as follows:

32 293.1279 1. If the statistical sampling shows that the number
33 of valid signatures filed is 90 percent or more, but less than the sum
34 of 100 percent of the number of signatures of registered voters
35 needed to declare the petition sufficient plus the total number of
36 requests to remove a name received by the county clerks pursuant to
37 NRS 295.055 or 306.015, the Secretary of State shall order the
38 county clerks to examine the signatures for verification. The county
39 clerks shall examine the signatures for verification until they

1 determine that 100 percent of the number of signatures of registered
2 voters needed to declare the petition sufficient are valid. If the
3 county clerks received a request to remove a name pursuant to NRS
4 295.055 or 306.015, the county clerks may not determine that 100
5 percent of the number of signatures of registered voters needed to
6 declare the petition sufficient are valid until they have removed each
7 name as requested pursuant to NRS 295.055 or 306.015.

8 2. ~~HH~~ *Except as otherwise provided in this subsection, if* the
9 statistical sampling shows that the number of valid signatures filed
10 in any county is 90 percent or more but less than the sum of 100
11 percent of the number of signatures of registered voters needed to
12 constitute 10 percent of the number of voters who voted at the last
13 preceding general election in that county plus the total number of
14 requests to remove a name received by the county clerk in that
15 county pursuant to NRS 295.055 or 306.015, the Secretary of State
16 may order the county clerk in that county to examine every
17 signature for verification. If the county clerk received a request to
18 remove a name pursuant to NRS 295.055 or 306.015, the county
19 clerk may not determine that 100 percent or more of the number of
20 signatures of registered voters needed to constitute 10 percent of the
21 number of voters who voted at the last preceding general election in
22 that county are valid until he has removed each name as requested
23 pursuant to NRS 295.055 or 306.015. *In the case of a petition for*
24 *initiative that proposes a statute, an amendment to statute or an*
25 *amendment to the Constitution of this State, if the statistical*
26 *sampling shows that the number of valid signatures in any county*
27 *is 90 percent or more but less than the sum of 100 percent of the*
28 *number of signatures of registered voters required for that county*
29 *pursuant to section 8 of this act plus the total number of requests*
30 *to remove a name received by the county clerk in that county*
31 *pursuant to NRS 295.055, the Secretary of State may order the*

35 the records of registration what number of registered voters have
36 signed the petition. If necessary, the board of county commissioners
37 shall allow the county clerk additional assistants for examining the
38 signatures and provide for their compensation. In determining from
39 the records of registration what number of registered voters have
40 signed the petition, the county clerk must use the statewide voter
41 registration list. The county clerk may rely on the appearance of the

9 within one county, the county clerk shall not forward to the

15 clerks showing the petition to be signed by the requisite number of
16 voters of the State.

17 7. If the amended certificates received from all county clerks
18 by the Secretary of State establish that the petition is still
