

Senate Bill No. 60—Committee on Natural Resources

CHAPTER.....

AN ACT relating to the control of air pollution; authorizing the school district in certain counties to expend the proceeds collected from certain administrative penalties only in accordance with a spending plan approved by a local air pollution control board; requiring a local air pollution control board to approve such a plan under certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, a local air pollution control board in a county whose population is 400,000 or more (currently Clark County) may delegate its authority to adjudicate violations of air quality laws and levy administrative penalties to an independent hearing officer or hearing board. A local air pollution control board that makes this delegation may retain 17.5 percent of the amount of the proceeds from the administrative penalties that it collects up to a maximum of \$17,500 per year. The remainder of the proceeds are turned over to the county school district. (NRS 445B.500) This bill authorizes the school district to expend its share of the proceeds from administrative penalties only in accordance with a spending plan that is approved by the local air pollution control board. The board is required to approve such a spending plan if its proposed expenditures are reasonable and limited to: (1) programs of education on topics relating to air quality; and (2) projects to improve air quality, such as the purchase and installation of equipment to retrofit school buses of the school district to use biodiesel, compressed natural gas or a similar fuel formulated to reduce emissions.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 445B.500 is hereby amended to read as follows:

445B.500 1. Except as otherwise provided in this section and in NRS 445B.310:

(a) The district board of health, county board of health or board of county commissioners in each county whose population is 100,000 or more shall establish a program for the control of air pollution and administer the program within its jurisdiction unless superseded.

(b) The program:

(1) Must include, without limitation, standards for the control of emissions, emergency procedures and variance procedures established by ordinance or local regulation which are equivalent to or stricter than those established by statute or state regulation;

(2) May, in a county whose population is 400,000 or more, include requirements for the creation, receipt and exchange for

consideration of credits to reduce and control air contaminants in accordance with NRS 445B.508; and

(3) Must provide for adequate administration, enforcement, financing and staff.

(c) The district board of health, county board of health or board of county commissioners is designated as the air pollution control agency of the county for the purposes of NRS 445B.100 to 445B.640, inclusive, and the Federal Act insofar as it pertains to local programs, and that agency is authorized to take all action necessary to secure for the county the benefits of the Federal Act.

(d) Powers and responsibilities provided for in NRS 445B.210, 445B.240 to 445B.470, inclusive, 445B.560, 445B.570, 445B.580 and 445B.640 are binding upon and inure to the benefit of local air pollution control authorities within their jurisdiction.

2. The local air pollution control board shall carry out all provisions of NRS 445B.215 with the exception that notices of public hearings must be given in any newspaper, qualified pursuant to the provisions of chapter 238 of NRS, once a week for 3 weeks. The notice must specify with particularity the reasons for the proposed regulations and provide other informative details. NRS 445B.215 does not apply to the adoption of existing regulations upon transfer of authority as provided in NRS 445B.610.

3. In a county whose population is 400,000 or more, the local air pollution control board may delegate to an independent hearing officer or hearing board its authority to determine violations and levy administrative penalties for violations of the provisions of NRS 445B.100 to 445B.450, inclusive, and 445B.500 to 445B.640, inclusive, or any regulation adopted pursuant to those sections. If such a delegation is made, 17.5 percent of any penalty collected must be deposited in the county treasury in an account to be administered by the local air pollution control board to a maximum of \$17,500 per year. The money in the account may only be used to defray the administrative expenses incurred by the local air pollution control board in enforcing the provisions of NRS 445B.100 to 445B.640, inclusive. The remainder of the penalty must be deposited in the county school district fund of the county where the violation occurred ~~. and must be accounted for separately in the fund. A school district may spend the money received pursuant to this section only in accordance with an annual spending plan that is approved by the local air pollution control board and shall submit an annual report to that board detailing the expenditures of the school district under the plan. A local air pollution control~~

board shall approve an annual spending plan if the proposed expenditures set forth in the plan are reasonable and limited to:

- (a) Programs of education on topics relating to air quality; and*
- (b) Projects to improve air quality, including, without limitation, the purchase and installation of equipment to retrofit school buses of the school district to use biodiesel, compressed natural gas or a similar fuel formulated to reduce emissions from the amount of emissions produced by the use of traditional fuels such as gasoline and diesel fuel,*
- ↳ which are consistent with the state implementation plan adopted by this State pursuant to 42 U.S.C. §§ 7410 and 7502.*

4. Any county whose population is less than 100,000 or any city may meet the requirements of this section for administration and enforcement through cooperative or interlocal agreement with one or more other counties, or through agreement with the State, or may establish its own program for the control of air pollution. If the county establishes such a program, it is subject to the approval of the Commission.

5. No district board of health, county board of health or board of county commissioners may adopt any regulation or establish a compliance schedule, variance order or other enforcement action relating to the control of emissions from plants which generate electricity by using steam produced by the burning of fossil fuel.

6. ~~For the purposes of~~ *As used in* this section, "plants which generate electricity by using steam produced by the burning of fossil fuel" means plants that burn fossil fuels in a boiler to produce steam for the production of electricity. The term does not include any plant which uses technology for a simple or combined cycle combustion turbine, regardless of whether the plant includes duct burners.

Sec. 1.5. NRS 387.205 is hereby amended to read as follows:

387.205 1. Subject to the limitations set forth in NRS 387.206 and 387.207, money on deposit in the county school district fund or in a separate account, if the board of trustees of a school district has elected to establish such an account pursuant to the provisions of NRS 354.603, must be used for:

- (a) Maintenance and operation of the public schools controlled by the county school district.
- (b) Payment of premiums for Nevada industrial insurance.
- (c) Rent of schoolhouses.
- (d) Construction, furnishing or rental of teacherages, when approved by the Superintendent of Public Instruction.
- (e) Transportation of pupils, including the purchase of new buses.

(f) Programs of nutrition, if such expenditures do not curtail the established school program or make it necessary to shorten the school term, and each pupil furnished lunch whose parent or guardian is financially able so to do pays at least the actual cost of the lunch.

(g) Membership fees, dues and contributions to an interscholastic activities association.

(h) Repayment of a loan made from the State Permanent School Fund pursuant to NRS 387.526.

(i) Programs of education and projects relating to air quality pursuant to NRS 445B.500.

2. Subject to the limitations set forth in NRS 387.206 and 387.207, money on deposit in the county school district fund, or in a separate account, if the board of trustees of a school district has elected to establish such an account pursuant to the provisions of NRS 354.603, when available, may be used for:

(a) Purchase of sites for school facilities.

(b) Purchase of buildings for school use.

(c) Repair and construction of buildings for school use.

Sec. 2. This act becomes effective on July 1, 2007.
