

Senate Bill No. 74—Senator McGinness

CHAPTER.....

AN ACT relating to infrastructure funds; specifying additional purposes for which money in the infrastructure fund of certain counties may be expended; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes counties to enact an ordinance imposing a tax for infrastructure. (NRS 377B.100) In a county whose population is less than 100,000 (currently Carson City, Elko, Douglas, Nye, Lyon, Churchill, Humboldt, White Pine, Pershing, Lander, Mineral, Lincoln, Storey, Eureka and Esmeralda Counties), the tax may be imposed on retailers at a rate of not more than one-quarter of 1 percent of gross receipts. (NRS 377B.110) The tax imposed by such counties is required to be paid to the Department of Taxation and, after an amount is deducted as compensation to the State for collecting the tax, the remainder is transferred to the county treasurer of the county from which it was collected. (NRS 377B.130) The money is then deposited in the county treasury for credit to the infrastructure fund. (NRS 377B.150) The permissible expenditures from the infrastructure fund are set forth in NRS 377B.160.

Section 1 of this bill provides that money in the infrastructure fund of such counties may also be expended for certain projects relating to streets and highways that are described in subsection 2 of NRS 373.028, and for the acquisition, establishment, construction, expansion, improvement or equipping of facilities relating to public safety or to cultural and recreational or judicial functions.

Existing law also authorizes the board of county commissioners in such counties to issue bonds and other securities to obtain money to pay the cost of authorized projects. (NRS 377B.190) **Section 1** of this bill provides that money in the infrastructure fund of such counties may also be expended for the payment of principal and interest on such bonds and other securities.
