**Legislative Counsel's Digest:**

Under existing law, a person is guilty of a misdemeanor if the person: (1) signs the name of another person or of a fictitious person on a petition; (2) files a petition or causes a petition to be filed knowing that the petition contains a false or wrongful signature or statement; (3) signs his name to or withdraws his name from a petition for any consideration, gratuity or reward; or (4) subscribes to any false statement concerning his age, citizenship, residence or other qualification. (NRS 205.125) This bill increases the penalty, from a misdemeanor to a category D felony, if a person: (1) signs the name of another person or of a fictitious person on a petition; or (2) files a petition or causes a petition to be filed knowing that the petition contains a false or wrongful signature or statement. This bill also prohibits a person from: (1) adding to, revising or altering a petition with the intent to falsify the name or any information concerning the age, citizenship, residence or other qualifications of another person who signs the petition; or (2) offering or providing any consideration, gratuity or reward to another person with the intent to induce the other person to sign his own name to or withdraw his own name from a petition. A person who commits one of these new crimes is guilty of a category D felony.
