SENATE CONCURRENT RESOLUTION—Directing the Legislative Commission to conduct an interim study concerning growth control measures.

1 WHEREAS, Local governments are responsible for determining
2 appropriate methods for planning and managing future development
3 within their jurisdictions; and

4 WHEREAS, Such planning and management decisions require the
5 consideration and balancing of numerous, and often competing,
6 state and local interests; and

7 WHEREAS, Enactment of a growth control measure by a local
8 government or the voters of a community is one method of planning
9 and managing future development in a community; and

10 WHEREAS, Growth control measures have fiscal impacts that
11 affect the State and local governments outside of the jurisdictions in
12 which the measures are imposed; now, therefore, be it

13 RESOLVED BY THE SENATE OF THE STATE OF NEVADA, THE
14 ASSEMBLY CONCURRING, That the Legislative Commission is
15 hereby directed to appoint a committee, consisting of three members
16 of the Senate and three members of the Assembly, to conduct an
17 interim study of growth control measures; and be it further

18 RESOLVED, That the study must include, without limitation, an
19 examination of:

20 1. Existing growth control measures in the State of Nevada;

21 2. The procedures and requirements for imposing such a
22 measure; and

23 3. The effects, including, without limitation, the fiscal effects,
24 of the imposition of such a measure; and be it further

1 RESOLVED, That any recommended legislation proposed by the
2 interim committee be approved by a majority of the members of the
3 Senate and a majority of the members of the Assembly appointed to
4 the committee; and be it further

5 RESOLVED, That the Legislative Commission shall submit a
6 report of the results of the study and any recommended legislation to
7 the 75th Session of the Nevada Legislature.
