

SENATE CONCURRENT RESOLUTION NO. 8—COMMITTEE ON
HUMAN RESOURCES AND EDUCATION

MARCH 5, 2007

Referred to Committee on Legislative Operations and Elections

SUMMARY—Directs the Legislative Commission to conduct an interim study of the use of methamphetamine in this State. (BDR R-1177)

~

EXPLANATION – Matter in *bolded italics* is new; matter between brackets ~~omitted material~~ is material to be omitted.

SENATE CONCURRENT RESOLUTION—Directing the Legislative Commission to conduct an interim study of the use of methamphetamine in this State.

WHEREAS, The State of Nevada leads the nation in the number of people who use methamphetamine; and

WHEREAS, The effects of the use of methamphetamine present a serious risk to the health, safety and welfare of the residents of this State; now, therefore, be it

RESOLVED BY THE SENATE OF THE STATE OF NEVADA, THE ASSEMBLY CONCURRING, That the Legislative Commission is hereby directed to appoint a committee, composed of three members of the Assembly and three members of the Senate to conduct an interim study of the use of methamphetamine in this State; and be it further

RESOLVED, That the Legislative Commission shall designate a Chairman of the committee and shall appoint an advisory committee of eight nonvoting members, who are not Legislators, as follows:

1. One representative of the Office of the Attorney General;
2. One representative of the district attorneys of this State;
3. One representative of the law enforcement agencies of this State;
4. One representative of the Division of Parole and Probation of the Department of Public Safety;
5. One district judge who is assigned to the drug court;
6. One district judge who is assigned to the juvenile court;

7. One representative of the child protection agencies of this State; and

8. One representative of the school districts of this State; and be it further

RESOLVED, That the study must include, without limitation, an examination of:

1. Information concerning the nature and extent of the use of methamphetamine in this State, the importation and manufacture of methamphetamine in this State and the most effective methods of decreasing the supply of methamphetamine in this State;

2. The effects of the use of methamphetamine on the health, safety and welfare of the residents of this State;

3. The most effective methods for the prevention and treatment of the abuse of methamphetamine; and

4. Projections for the future needs for services for the prevention and treatment of the abuse of methamphetamine in this State; and be it further

RESOLVED, That any recommended legislation proposed by the committee must be approved by a majority of the members of the Senate and a majority of the members of the Assembly appointed to the committee; and be it further

RESOLVED, That the Legislative Commission shall submit a report of the results of the study and any recommendations for legislation to the 75th Session of the Nevada Legislature.
