AN ACT relating to manufactured home parks; requiring a landlord who proposes to close or convert a manufactured home park to submit a resident impact statement **[under certain circumstances]**; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law describes the obligations that a landlord must meet when closing or converting a manufactured home park. (NRS 118B.177, 118B.180, 118B.183) **Sections 1-4** of this bill add to those requirements by requiring the landlord to submit a resident impact statement **[before beginning the process of closure or conversion]**. Additionally, **section 1** sets forth the requirements for a resident impact statement **[and the time for its submission]**. **Section 1 also exempts a landlord who complies with local rules for converting or closing a manufactured home park if the local rules establish requirements concerning the disclosure of the impact on residents that are at least as stringent as the requirements of section 1.**
