AN ACT relating to local financial administration; expanding the purposes for which, in certain smaller counties, money may be expended from a ~~local governmental~~ **school district** fund established to stabilize the operation of ~~the local government and mitigate the effects of natural disasters,~~ **the school district;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes the governing body of a local government to establish a fund to stabilize the operation of the local government and mitigate the effects of natural disasters, and restricts the purposes for which the money in the fund may be expended. (NRS 354.6115) This bill expands those purposes to authorize local governments in counties with a population of less than 9,000 (currently Pershing, Lander, Mineral, Lincoln, Storey, Eureka and Esmeralda Counties) to use the money to retire outstanding debt. Existing law provides for each county to receive a portion of the proceeds of an ad valorem tax levied against mining operations in that county and for each county treasurer to apportion certain amounts of those proceeds to each local government or other local entity. (NRS 362.170) Existing law also authorizes each school district that receives a portion of those proceeds to set aside a portion of the amount received for a fund to mitigate the adverse effects upon the school district that result from a decline in revenues from the tax on mining operations or the opening or closing of a mining operation in the county. (NRS 362.171) This bill expands those purposes to authorize school districts in counties with a population of less than 15,000 (currently White Pine, Pershing, Lander, Mineral, Lincoln, Storey, Eureka and Esmeralda Counties) to use the money to retire outstanding debt and, if available revenues are below a certain amount, to use the money in the fund as the school district determines is necessary.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 Delete existing sections 1 and 2 of this bill and replace with the following new
