AN ACT relating to education; requiring the Legislative Committee on Education to study certain issues during the 2007-2009 interim; and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

The Legislative Committee on Education is a permanent statutory committee of Legislators that meets during the interim between legislative sessions to study various issues relating to education. (NRS 218.5351-218.5355) This bill requires the Committee, during the 2007-2009 interim, to study the governance of public schools, including the governance structure for kindergarten through grade 12 and the feasibility and desirability of implementing a program of local autonomy for public schools. This bill also requires the Chairman of the Committee to appoint a subcommittee to study charter schools during the 2007-2009 interim.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN  
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1           **Section 1.** 1. The Legislative Committee on Education shall, during the  
2 2007-2009 interim, conduct a study of the governance of the public schools in this  
3 State, including, without limitation [the]:

4           (a) The feasibility and desirability of implementing a program of local  
5 autonomy for public schools [ ]; and

6           (b) A review of the system of public education for kindergarten through  
7 grade 12 to ensure that the structure of governance is organized in a manner  
8 which provides for efficient operation and which meets the educational needs  
9 of the residents of this State.

10          2. The study must include, without limitation, a review of:

1       (a) Accountability measures that should be carried out by public schools that  
2 participate in a program of local autonomy;

3       (b) The provision of professional development for educational personnel in  
4 public schools that participate in a program of local autonomy in a manner that  
5 ensures effective school leaders;

6       (c) The effect of a program of local autonomy on existing collective bargaining  
7 agreements;

8       (d) The feasibility of performance-based contracts for employees of public  
9 schools that participate in a program of local autonomy;

10      (e) The duties, responsibilities and powers of principals of public schools that  
11 participate in a program of local autonomy;

12      (f) The role of teachers, parents and the community in decision making in  
13 public schools that participate in a program of local autonomy;

14      (g) The proposed effect of a program of local autonomy on the success and  
15 achievement of pupils;

16      (h) Guidelines for budgets for individual schools that participate in a program  
17 of local autonomy;

18      (i) The progress of the pilot project carried out in the Clark County School  
19 District referred to as "empowerment schools," including, without limitation, the  
20 identification of successful measures used in that pilot project which may be carried  
21 out as part of a statewide program of local autonomy for public schools; and

22      (j) The feasibility of authorizing individual teachers to negotiate year-round  
23 contracts with the school districts that employ the teachers.

24      ➡ **The Committee's review of the items set forth in this subsection must be  
25 made in recognition of the provisions of chapter 288 of NRS.**

26      ➡ 3. The Legislative Committee on Education shall submit a report of the  
27 results of the study conducted pursuant to ~~subsection 1~~ this section and any  
28 recommendations for legislation to the Director of the Legislative Counsel Bureau  
29 for transmission to the 75th Session of the Nevada Legislature.

30      **Sec. 2.** 1. The Chairman of the Legislative Committee on Education shall  
31 appoint a subcommittee of the members of the Committee to study charter schools  
32 operating in this State.

33       2. The subcommittee appointed pursuant to subsection 1 shall:

34       (a) Review the accountability of charter schools and determine whether  
35 measures should be carried out to improve accountability;

36       (b) Review the money available for the operation of charter schools;

37       (c) Review the ability of charter schools to acquire suitable facilities and  
38 determine measures that may increase the availability of suitable facilities for  
39 charter schools;

40       (d) Review the governance structure of charter schools;

41       (e) Identify any restrictions on the operation of charter schools that should be  
42 revised or eliminated; and

43       (f) Identify practices carried out in other states to ensure the success of charter  
44 schools and determine the feasibility of carrying out those practices in this State.

45       3. On or before August 1, 2008, the subcommittee appointed pursuant to  
46 subsection 1 shall submit to the Legislative Committee on Education:

47       (a) A report of its findings; and

48       (b) Requests for the drafting of not more than five legislative measures which  
49 relate to matters within the scope of the study conducted by the subcommittee. Such  
50 requests are in addition to the number of requests authorized for the Legislative  
51 Committee on Education in paragraph (a) of subsection 3 of NRS 218.2429.

52       4. The Legislative Committee on Education shall:

1                   (a) Approve or deny the requests for the drafting of legislative measures of the  
2 subcommittee; and

3                   (b) On or before February 1, 2009, submit the report of the subcommittee to  
4 the Director of the Legislative Counsel Bureau for transmission to the 75th Session  
5 of the Nevada Legislature.

6                   **Sec. 3.** This act becomes effective on July 1, 2007.
