AN ACT relating to education; creating a school district for charter schools sponsored by the State Board of Education for federal law purposes; revising provisions governing the closure of a charter school; clarifying certain provisions governing the payments of money to a charter school for the enrollment of certain pupils; revising provisions governing the employment of administrators for a charter school; and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

Under existing law, the board of trustees of a school district may sponsor charter schools and the State Board of Education may sponsor charter schools. (NRS 386.515) **Section 2** of this bill creates a school district to be designated as the Charter School District for State Board-Sponsored Charter Schools. The School District is created for the sole purpose of federal law governing charter schools.

**Section 3** of this bill provides that upon closure of a charter school, an administrator of the charter school shall act as a trustee of certain records during the process of closure and for 1 year after the date of closure. If an administrator is not available, the governing body of the charter school shall appoint a qualified person to perform the duties of trustee.

Under existing law, a charter school must accept for enrollment in certain classes, if space is available, children who are otherwise enrolled in a public school or a private school or homeschooled children. (NRS 386.580) Under existing law, these children are included in the count of pupils for the purposes of the basic support guarantee of the State Distributive School Account. (NRS 387.123, 387.1233) **Section 5** of this bill clarifies the legislative declaration concerning the formation of charter schools to provide that the declaration does not preclude the payment of money to a charter school for the enrollment of these children in classes at a charter school. (NRS 386.505)

Under existing law, a charter school may employ administrators for the school who meet certain eligibility requirements. (NRS 386.590) **Section 6** of this bill revises provisions governing the employment of those administrators and revises the eligibility requirements.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN  
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

**Section 1.** Chapter 386 of NRS is hereby amended by adding thereto the provisions set forth as sections 2 and 3 of this act.

**Sec. 2.** *There is hereby created a school district to be designated as the Charter School District for State Board-Sponsored Charter Schools. The School District comprises only those charter schools that are sponsored by the State Board. The State Board is hereby deemed the board of trustees of the School District. The School District is created for the sole purpose of providing local educational agency status to the District for purposes of federal law governing charter schools.*

**Sec. 3.** *1. Except as otherwise provided in subsection 2, if a charter school ceases to operate voluntarily or upon revocation of its written charter, the governing body of the charter school shall appoint an administrator of the charter school to act as a trustee during the process of the closure of the charter school and for 1 year after the date of closure. The administrator shall assume the responsibility for the records of the:*

- (a) Charter school;*

The term includes, without limitation, pupils who are members of economically disadvantaged families, pupils who are limited English proficient, pupils who are at risk of dropping out of high school and pupils who do not meet minimum standards of academic proficiency. The term does not include a pupil with a disability.

**Sec. 5.** NRS 386.505 is hereby amended to read as follows:

386.505 The Legislature declares that by authorizing the formation of charter schools it is not authorizing:

1. The conversion of an existing public school, home school or other program of home study to a charter school.

2. A means for providing financial assistance for private schools or programs of home study. The provisions of this subsection do not preclude ~~§~~:

*(a) A private school from ceasing to operate as a private school and reopening as a charter school in compliance with the provisions of NRS 386.500 to 386.610, inclusive ~~§~~, and sections 2 and 3 of this act.*

*(b) The payment of money to a charter school for the enrollment of children in classes at the charter school pursuant to subsection 5 of NRS 386.580 who are enrolled in a public school of a school district or a private school or who are homeschooled.*

3. The formation of charter schools on the basis of a single race, religion or ethnicity.

**Sec. 5.5. NRS 386.527 is hereby amended to read as follows:**

386.527 1. If the State Board or the board of trustees of a school district approves an application to form a charter school, it shall grant a written charter to the applicant. The State Board or the board of trustees, as applicable, shall, not later than 10 days after the approval of the application, provide written notice to the Department of the approval and the date of the approval. If the board of trustees approves the application, the board of trustees shall be deemed the sponsor of the charter school.

2. If the State Board approves the application:

(a) The State Board shall be deemed the sponsor of the charter school.

(b) Neither the State of Nevada, the State Board nor the Department is an employer of the members of the governing body of the charter school or any of the employees of the charter school.

3. ~~Upon the initial renewal of a written charter and each renewal thereafter, the~~ The governing body of a charter school may request, at any time, a change in the sponsorship of the charter school to an entity that is authorized to sponsor charter schools pursuant to NRS 386.515. The State Board shall adopt ~~Objective~~ :

(a) An application process for a charter school that requests a change in the sponsorship of the charter school, which must not require the applicant to undergo the requirements of an initial application to form a charter school; and

(b) Objective criteria for the conditions under which such a request may be granted.

4. Except as otherwise provided in subsection 6, a written charter must be for a term of 6 years unless the governing body of a charter school renews its initial charter after 3 years of operation pursuant to subsection 2 of NRS 386.530. A written charter must include all conditions of operation set forth in paragraphs (a) to (o), inclusive, of subsection 2 of NRS 386.520 and include the kind of school, as defined in subsections 1 to 4, inclusive, of NRS 388.020 for which the charter school is authorized to operate. If the State Board is the sponsor of the charter school, the written charter must set forth the responsibilities of the sponsor and the charter school with regard to the provision of services and programs to pupils with disabilities who are enrolled in the charter school in accordance with the Individuals with Disabilities Education Act, 20 U.S.C. §§ 1400 et seq., and NRS 388.440 to 388.520, inclusive. 5. The governing body of a charter school may submit to the sponsor of the charter school a written request for an amendment of the written charter of the charter school. If the proposed amendment complies with the provisions of this section, NRS 386.500 to 386.610, inclusive, and sections 2 and 3 of this act, and any other statute or regulation applicable to charter schools, the sponsor may amend the written charter in accordance with the proposed amendment. If a charter school wishes to expand the instruction and other educational services offered by the charter school to pupils who are enrolled in grade levels other than the grade levels of pupils currently ~~enrolled~~ approved for enrollment in the charter school and the expansion of grade levels changes the kind of school, as defined in NRS 388.020, for which the charter school is authorized to operate, the governing body of the charter school must submit a new application to form a charter school. If

1 such an application is approved, the charter school may continue to operate under  
2 the same governing body and an additional governing body does not need to be  
3 selected to operate the charter school with the expanded grade levels.

4 6. The State Board shall adopt objective criteria for the issuance of a written  
5 charter to an applicant who is not prepared to commence operation on the date of  
6 issuance of the written charter. The criteria must include, without limitation, the:

9 demonstrating its progress in preparing to commence operation.

10 ➤ A holder of such a written charter may apply for grants of money to prepare the  
11 charter school for operation. A written charter issued pursuant to this subsection  
12 must not be designated as a conditional charter or a provisional charter or otherwise  
13 contain any other designation that would indicate the charter is issued for a  
14 temporary period.

15 7. The holder of a written charter that is issued pursuant to subsection 6 shall  
16 not commence operation of the charter school and is not eligible to receive  
17 apportionments pursuant to NRS 387.124 until the sponsor has determined that the  
18 requirements adopted by the State Board pursuant to subsection 6 have been  
19 satisfied and that the facility the charter school will occupy has been inspected and  
20 meets the requirements of any applicable building codes, codes for the prevention  
21 of fire, and codes pertaining to safety, health and sanitation. Except as otherwise  
22 provided in this subsection, the sponsor shall make such a determination 30 days  
23 before the first day of school for the:
