Legislative Counsel's Digest:

Existing law requires the State Board of Education to establish policies governing the supervision, management and control of public schools in Nevada and authorizes the Board to adopt regulations to carry out the powers and duties conferred upon the Board by law. (NRS 285.075, 385.080) In addition, existing law authorizes the Nevada Interscholastic Activities Association to adopt regulations that are necessary to control, supervise and regulate all interscholastic events at public schools, charter schools, private schools and parochial schools in Nevada.
